CURRICULUM VITAE
2012
GARY A. CRIM, DMD, MSD
UNIVERSITY OF LOUISVILLE
SCHOOL OF DENTISTRY

PERSONAL INFORMATION

Home Address: 12925 Crestmoor Circle
Prospect, KY 40059
(502) 228-2241

Business Address: School of Dentistry
University of Louisville
Louisville, KY 40292
(502) 852-1303

Date of Birth: July 13, 1949

Place of Birth: Louisville, KY

ACADEMIC AND ADMINISTRATIVE INFORMATION

Initial Appointment: Clinical Instructor
Department of Restorative Dentistry
University of Louisville
February 1976

Present Rank: Professor, Dept. of General Dentistry and Oral Medicine
Associate Dean for Pre-doctoral Education
Interim Chair, General Dentistry and Oral Medicine

Administrative Appointments/Committees:

DAU Search Committee, 1978

Chairman, Operative Search Committee, 1978

Faculty Development Committee, 1978-1979

Curriculum Committee, 1981-1982, 1987-1988, 1999-Present

Chairman, R.E. Myers Symposium Arrangements Committee, 1981

Instrument Committee, 1982, 1988 - Present

Chairman, ULSD Academic Achievement Committee, 1983-1984, 1984-1985

Chairman, ULSD Student Progress and Promotion Committee, 1999-Present

Chairman, Departmental Committee for National Board Questions for CODE, 1983

Accreditation Self-Study Committee on Extramural Education Experience, 1984

Promotions, Appointments, and Tenure Committee, 1986-1988

R.E. Myers Symposium Committee, 1985

Environment Committee, 1986

Group Leader for Junior Clinic, 1985-1986

National Board Examination Test Construction Committee,

Prosthodontic Section, 1986-1990

Secretary/Treasurer, NU Chapter of OKU, 1986-Present

Sophomore Clinical Advisor, 1986-1987

Research Committee, 1986-1999

Radiation Standards Committee, 1986-1988

Chairman, ULSD Service Awards Committee for the Faculty Senate, 1987

Secretary/Treasurer, ULSD Faculty Senate, 1988-1989

Chairman, ULSD Faculty Senate, 1989-1990

ULSD Faculty Senate Social Committee, 1989-1990

ULSD Faculty Grievance Committee, 1990-1993

Committee on Professor Emeritus, 1990

ULSD Awards Committee, 1990-1991

University Screening Committee for the Distinguished Teaching Professor Awards, 1991

R.E. Myers Program Committee, 1991

Kornhauser Library Users Committee, 1991- Present

Chairman, 1991- 1995

UofL Faculty Senate Committee on Libraries, 1991-1999

Search Committee for the Associate Dean for Clinical Affairs, 1991 1992

Chairman, Department of Primary Patient Care Promotion and Tenure Review Committee, 1991

ULSD Faculty Senate Ad Hoc Budget Committee, 1991

Faculty-Student Review Committee, 1992

KDA Scientific Sessions Committee, 1992-1993

Chair, ULSD Awards Committee, 1992-1994

University Screening Committee for the Distinguished Teaching Professor Awards, 1992

University Faculty Senator, 1992-2000

Chairman, Task Force on Part-Time Faculty, 1992

ULSD Personnel Committee, 1992-2000

Accreditation Ad-Hoc Committee on Clinical Sciences Curriculum, 1992-1993

Clinical Operations and Patient Care, 1993-1997

Faculty Handbook Ad Hoc Committee, 1993

Director, Clinical Operative Dentistry, 1993-1998

Interim Chair, Department of Diagnosis and General Dentistry, July 1993-1994

University Screening Committee for the Distinguished Teaching Professor Awards, 1994

Dental Hygiene Advisory Committee, 1994 - 1996, 1999-Present

Chair, Task Force on Biomaterials, 1994

Graduate Faculty membership, 1994-Present

Chair, Review Committee for PAT Document, 1994-1995

Chair, Department of Diagnosis and General Dentistry, 1994-1999

Chair, Faculty Fall Retreat 1995

Chair, Operative Search, 1995

UofL Head Librarian Search Committee, 1995-1996

Task Force on Needs and Curriculum, American Academy of Cosmetic Dentistry, 1995-1996

Environmental Control Committee, 1996-1997

Search Committee, Associate Dean for Clinical Affairs, 1998

Decanal Search Committee, 1998

Acting Associate Dean for Educational Programs, February 1999-

Associate Dean for Pre-doctoral Education, 2000-Present

Comprehensive Care General Practice Implementation Team, (members: Assistant Dean for Clinical Affairs; Chair of Diagnostic Sciences, Prosthodontics, & Restorative Dentistry; Acting Associate Dean for Educational Programs), 1999-2000

Quality Assurance Committee (ex officio), 2000 - Present

Assessment & Effectiveness Committee (ex officio), 2000 - Present

Admissions (ex officio), 1999 - Present

Informatics Committee (ex-officio), 1999-2001

Chair, Accreditation Steering Committee for 2001 Site Visit, 1999-2001

Post-Graduate Affairs Advisory Committee, 1999-2001

Chair, Ad Hoc Faculty Evaluation Committee, 2000

Chair, Student Performance and Promotion Committee, 1999 - Present

DMD Curriculum Committee (ex-officio), 1999 - Present

Dental Hygiene Curriculum Committee (ex-officio), 1999 - Present

Dental Hygiene Academic Achievement Committee (ex-officio), 1999 - Present

Environmental Control Committee (ex-officio), 1999 - Present

Clinic Operations and Patient Care Committee (ex-officio), 1999 - Present

Quality Assurance Committee (ex-officio), 1999 - Present

Chair, Materials and Equipment Committee, 1999 - 2011

Associate Deans Committee (campus-wide), 2004-Present

SACS Accreditation Report for the School of Dentistry, 2005

Chair, Accreditation Steering Committee for 2008 Site Visit, 2006-2008

Curriculum Task Force, 2009

SACS Recertification Subcommittee on Faculty, 2011-12

Tenure Status:	Reviewed, tenured, promoted to Associate Professor, 1985
Last Promotional Review:	Reviewed and promoted to Professor, 1991
Promotion:	Chair, Department of Diagnosis and General Dentistry, July 1994-1999
	Acting Assistant Dean for Academic Affairs, 1999-2000
	Associate Dean for Pre-Doctoral Education, 2000-Present

HIGHER EDUCATION

Degree	*Date Awarded*	*Major*	*Institution*	*Dates Attended*
		Mathematics	Indiana University	Sept. 1967- June 1969
		Pre-dental	Univ. of Kentucky	Sept. 1969- June 1970
D.M.D.	May 1974	Dental	Univ. of Kentucky College of Dentistry	Aug. 1970- May 1974
M.S.D.	May 1981	Dental Materials	Indiana University School of Dentistry	Aug. 1979- May 1981

HONORS, AWARDS, SCHOLARSHIPS, AND OTHER RECOGNITION

National Institute of Health Research Fellowship, 1980-1981

Omicron Kappa Upsilon, 1982

Wolfe Distinguished Teacher Award, 1983

Outstanding Teacher Award, 1987

Nominee for Trustee's Award, 1991

American College of Dentists, 1996

Uof L 2010 Distinguished Faculty Award for Teaching (category of Full-time)

DENTAL LICENSURE

June 1974, Kentucky

PROFESSIONALLY RELATED APPOINTMENTS

August 1980-May 1981	Clinical Instructor Operative Dentistry	Indiana University School of Dentistry
January 1981-May 1981	Clinical Instructor Fixed Prosthodontics	Indiana University School of Dentistry
1986-1990	Dental Materials Member	American Dental Assoc. National Board Prosthetics Test Construction Comm.
1988-Present	Editorial Board	American Journal of Dentistry
1988-1993	Reviewer	Journal of Dental Materials
1990-1991	Editorial Board	Alber's Report
1992-1995	Reviewer	General Dentist
1992-Present	Reviewer	Journal of Dentistry

LEARNED AND PROFESSIONAL ORGANIZATIONS

International:	International Association of Dental Research Dental Materials Group of IADR Academy of Operative Dentistry
National:	American Dental Education Association American Association of Dental Research American Dental Association American College of Dentists
Regional:	Kentucky Dental Association
Local:	Louisville Dental Society

BIBLIOGRAPHY

Chapters in Books:

Phillips RW: Science of Dental Materials, 8th edition, Saunder Co., Philadelphia, 1982.

Articles:

Crim, GA: Management of the fractured incisor. J Am Dent Assoc 96:99, 1978.

Crim, GA and Mattingly, SL: An update on the composite restoration. J Ky Dent Assoc 32:23, 1980.

Crim, GA and Mattingly, SL: Microleakage of the Class V composite cavosurface. J Dent Child 47:333, 1980.

Crim, GA and Mattingly, SL: Evaluation of two methods for assessing marginal leakage. J Prosthet Dent 45:160, 1981.

Crim, GA: Cavosurface design and marginal leakage of 3 restorative resins: an in vitro evaluation. Thesis, Indiana University, 1981.

Crim, GA: Direct restorative resins: materials and techniques. The Compendium of Cont Ed in Dent 4:335, 1983.

Crim, GA: Deciphering today's composites. J Ky Dent Assoc 35:61, 1983.

Crim, GA, Swartz, ML, and Phillips, RW: An in vitro evaluation of cavosurface design and microleakage. Gen Dent 32:56, 1984.

Phillips, RW, Crim, GA, Swartz, ML and Clark, HE: Resistance of calcium hydroxide preparations to solubility in phosphoric acid. J Prosthet Dent 52:358, 1984.

Crim, GA, Swartz, ML, and Phillips, RW: Comparison of 4 thermocycling techniques. J Prosthet Dent 53:50, 1985.

Crim, GA, Esposito, CJ, and Chapman, KW: Microleakage with a dentin bonding agent. Gen Dent 33:232, 1985.

Podshadley, AG, Gullett, CE, and Crim, GA: Interface seal of incremental placement of visible light cured composite resins. J Prosthet Dent 53:625, 1985.

Crim, GA and Chapman, KW: Effect of placement techniques on microleakage of a dentin-bonded composite resin. Quint Int 17:21, 1986.

Crim, GA: Assessment of microleakage of three dentinal bonding systems. Quint Int 21:295, 1990.

Crim, GA: Prevention of marginal leakage by four dentinal adhesives. Gen Dent 34:235, 1986.

Esposito, CJ, Crim, GA, and Binkley, TK: Headaches: a differential diagnosis. J Craniomand Practice 4:317, 1986.

Crim, GA and Garcia-Godoy, F: Microleakage: effect of storage and cycling duration. J Prosthet Dent 57:574, 1987.

Crim, GA: Posterior composite restorations: effect of margin design on microleakage. J Ind Dent Assoc 66:27, 1987.

Crim, GA: Assessment of microleakage of 12 restorative systems. Quint Int 18:419, 1987.

Crim, GA and Shay, JS: Effect of etchant time on microleakage. J Dent Child 54:339, 1987.

Crim, GA and Shay, JS: Effect of dentin pre-treatment procedures on the microleakage of a dentin bonded composite resin material. Quint Int 19:365, 1988.

Crim, GA and Shay, JS: Microleakage pattern of a resin-veneered glass ionomer cavity liner. J Prosthet Dent 58:273, 1987.

Crim, GA: Evaluation of dental adhesive and cavosurface angle in preventing marginal leakage. NY St J Dent 53:22, 1987.

Crim, GA and Abbott, LJ: Effect of cure time on marginal sealing by 4 dentin bonding agents. Am J Dent 1:12, 1988.

Crim, GA: Effect of composite resin on the microleakage of Scotchbond 2 and GLUMA. Am J Dent 1:215, 1988.

Crim, GA: Influence of bonding agents and composites on microleakage. J Prosthet Dent 61:571, 1989.

Crim, GA: Effect of immediate versus delayed thermal stress on two adhesives. Quint Int 20:517, 1989.

Crim, GA: Effect of substrate age on microleakage of dentin adhesive agents. J Oral Rehabil 16:555, 1989.

Crim, GA: Pre-polymerization of Gluma 4 Sealer - effect on bonding. Am J Dent 3:25, 1990.

Crim, GA: Microleakage of three dentin bonding systems: a 6-month evaluation. Quint Int 22:387, 1991.

Crim, GA: Microleakage assessment of three resin placement techniques. Am J Dent 4(2): 69, 1991.

Chapman, KW and Crim, GA: Mechanical versus hand condensation of amalgam. Quintessence Int 23:495, 1992.

Crim, GA: Pre-restorative bleaching: effect on microleakage of Class V cavities. Quintessence Int 23:823, 1992.

Crim, GA: Post-restorative bleaching: effect on microleakage of Class V cavities. Am J Dent 5:112, 1992.

Crim, GA, Schmidt ER: Microleakage resistance of glutaraldehyde-containing adhesives. Am J Dent 6:142, 1993.

Crim, GA: Marginal leakage of visible light-cured glass ionomer restorative materials. J Prosthet Dent 69:561, 1993.

Crim, GA: Effect of aging on microleakage of restorative systems. Am J Dent 6:192, 1993.

Crim, GA, Chapman KW: Reducing microleakage in Class II restorations: an in vitro study. Quint Int 25:781, 1994.

Abstracts:

Mortenson, BW, Crim, GA, and Gettleman, L: Effects of autoclaving teeth on in vitro microleakage. J Dent Res (Spec Issue) 70:583, Abstr. 2540, 1991.

Furnish, GM, O'Toole, TJ, Crim, GA, Shay, J, Moore, R, Parkins, FM. Success and longevity of home bleaching using 10% carbamide peroxide. J Dent Res 71: 188, Abstr #664, 1992.

Crim, GA. Tooth bleaching procedure causes leakage in restorations. Compend Contin Educ Dent 13: 564, 1992.

Keen, DS, Parkins FM, Crim, GA. Microleakage of composite restorations prepared with air-abrasive techniques. J Dent Res (Spec Issue)74: 36, Abstr #199, 1995.

Sleet, HW, Gettleman, L, Storey, RJ, Crim, GA, Darling, DS, Mitchell, RJ. Thermal cycling profiles using water bath and PCR techniques. J Dent Res (Spec Issue) 74: 30, Abstr #151, 1995.

PROFESSIONAL PRESENTATIONS

Restorative Update, Barren River; October 1981.

Composite Resin Review, South Central Kentucky Dental Society; March 18, 1982.

Dental Materials for Crown and Bridge: Product Selection and Use, R.E. Myers Symposium, University of Louisville; September 9, 1982.

Advances in Dental Materials, East End Study Club; January 6, 1983.

Use and Abuse of Dental Materials, Pennyrile Dental Society; March 10, 1983.

Dental Materials for Assistants, Louisville Society of Dental Assistants; October 1, 1983.

Use and Abuse of Dental Materials, University of Louisville School of Dentistry Continuing Education Course; December 10, 1983.

Posterior Composites - Ready or Not, Southeast Indiana Dental Society; April 18, 1984.

Contemporary Composites, R.E. Myers Symposium, University of Louisville; October 5, 1984.

New Dimensions in Dental Materials, University of Louisville School of Dentistry Continuing Education Course; March 7, 1986.

Dental Materials for Assistants, Louisville Society of Dental Assistants; March 15, 1986.

Laminate and Composite Veneers, Rough River; March 18, 1986.

Dentin Bonding - Current Status, L.D. Caulk Dental Co., Milford, DE; May 5, 1986.

New Dimensions in Dental Materials, University of Louisville School of Dentistry Continuing Education Course; December 19, 1986.

Direct Esthetic Bonding: A Participation Course, University of Louisville School of Dentistry Continuing Education Course; November 7, 1987.

Microleakage of Restorative Materials, International Symposium on Resin Adhesives and Glass Ionomers, Scottsdale, AZ; March 14-17,1988.

Direct Esthetic Veneers, University of Louisville School of Dentistry Continuing Education Course; June 9, 1988.

Update on Operative Dentistry, Indiana University School of Dentistry Continuing Education Course; June 9, 1988.

Microleakage of Dental Materials, East End Study Club; January 5, 1989.

Bonding Agents, Woodland Dental Study Club; September 12, 1989.

Esthetic Dentistry, Pennyrile Dental Society: September 14,1989.

Esthetic Dentistry, South Central Dental Society; October 19, 1989.

Materials Review for Senior Class, Meharry School of Dentistry; March 16, 1990.

Materials Review for Senior Class, Meharry School of Dentistry; November 2, 1990.

Materials Review for Senior Class, Meharry School of Dentistry; February 12, 1991.

Materials Review for Senior Class, Meharry School of Dentistry; November 15, 1991.

Root Caries, Woodland Dental Study Club; March 10, 1992.

Materials Review for Senior Class, Meharry School of Dentistry; March 20, 1992.

Materials for Esthetic Dentistry, East End Study Club; April 8, 1992.

Materials Update, Woodland Dental Study Club; April 14, 1992.

Esthetic Dentistry, West Central Dental Society; September 11, 1992.

Materials for Esthetic Dentistry, Green River Dental Society; September 23, 1992.

Materials Review for Senior Class, Meharry School of Dentistry; November 20, 1992.

Esthetic Dental Materials, Kentucky Society of Dentistry for Children; May 22-23, 1993.

Esthetic Dental Materials, Woodland Dental Study Club; February 9, 1993.

Esthetic Dental Materials, St. Louis Dental Research Group; November 4, 1993.

Esthetic Materials, East End Study Club; November 10, 1993.

Materials Review for Senior Class, Meharry School of Dentistry; November 19, 1993.

Esthetic Materials, Woodland Dental Study Club; January 11, 1994.

Practical Esthetic Dentistry, Green River Dental Society; February 16, 1994.

Esthetic Materials, KY Women Dental Assoc.; March 8, 1994.

Esthetic Materials, East End Study Club; March 9, 1994.

Esthetic Materials and Techniques, KDA Annual Session; March 25, 1994.

Esthetic Materials, Woodland Dental Study Club; January 10, 1995.

Microleakage Evaluation of Restorative Techniques, Bisco Dental 5th Generation Adhesive Symposium; San Diego, August 17-20, 1995.

Esthetic Dental Materials and Techniques, Southeastern Kentucky Dental Society; July 29, 1995.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville; December 1, 1995.

Extraordinary Ordinary Dentistry, ULSD C.E., Louisville; December 14, 1995.

Esthetic Materials ‘96, Woodland Dental Study Club; January 9, 1996.

Adhesive Dentistry, East End Study Club; September 18, 1996.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville; November 15, 1996.

Extraordinary Ordinary Dentistry, ULSD C.E., Louisville; December 12, 1996.

What’s New, Woodland Dental Study Club; January 14, 1997.

Operative & Esthetic Options for 1997, Annual Kentucky Dental Association Meeting, April 4, 1997.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, November 1997

4 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and November 1997

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, February 1998

Extraordinary Ordinary Restorative Dentistry, American College of Dentists, French Lick, Indiana, August 7 & 8, 1998

4 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and November 1998

What's New for 99, Woodland Dental Study Club; January 12, 1999.

Extraordinary Ordinary Restorative Dentistry, ULSD C.E., Louisville; December 11, 1999.

4 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and December 1999.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, December 1999.

What's New for 2000, Woodland Dental Study Club; January 12, 2000.

What We're Using & Why, KDA, March 31, 2000.

Update on Dental Materials in Restorative Dentistry, Southern Academy of Prosthodontics, Louisville, April 27, 2000.

4 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and December 2000.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, December 2000.

What's New for 2001, Woodland Dental Study Club; January 2001.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, November 2001

4 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and November 2001.

What's New for 2002, Woodland Dental Study Club; January 2002.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, November 2002

4 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and November 2002.

What's New for 2003, Woodland Dental Study Club; January 2003.

4 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and November 2003.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, November 2003.

What's New for 2004, Woodland Dental Study Club; January 2004.

4 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and November 2004.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, November 2004

What's New for 2005, Woodland Dental Study Club; January 2005.

Bleaching, Bonding, and Composites for 2005, Green River Dental Society, Owensboro, May 2005

4 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and November 2005.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, November 2005

4 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and November 2006.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, November 2006

Materials Update, Northern Kentucky Dental Society, Fort Mitchell, October 16, 2007.

2 day dental materials presentation to Sophomore class, Meharry School of Dentistry, October and November 2007.

National Board Review for Materials, Senior Class, Meharry School of Dentistry, Nashville, November 2007.

Direct Esthetic Materials and Dental Bonding - What, When, and Why, Kentucky Dental Association Meeting, April 9, 2010.

Direct Esthetic Materials and Dental Bonding, Woodland Dental Study Club; June 2010.

GRANT AND RESEARCH ACTIVITIES

Nationally sponsored:

Crim, GA: In vitro evaluation of three new restorative resins, August 1980 - May 1981, National Research Award, National Institute of Dental Research, $22,892.

University sponsored:

Crim, GA and Mattingly, SL: Comparison of microleakage evaluation methods, September 1979 - May 1979, University of Louisville School of Dentistry, $800.

Manufacturer sponsored:

Crim, GA: Indirect composite resin inlays, Whaledent/Coltene, December 1991, $3000
Crim, GA: Unrestricted research grant from 3M Dental, 1992, $3000
Crim, GA: Whaledent/Coltene, November 1992, $2200

Product Evaluation Requested by:
L.D. Caulk
Bisco Dental
DenMat
Septodont

OTHER SIGNIFICANT INFORMATION:

Private Practice: September 1974 - August 1977

Teaching Experience:

Pre-clinical Operative Dentistry I
1976-1979, 1981-Present
Course Director, 1989-2009

Dental Anatomy/Pre-clinical Operative Dentistry I (integrated course)

2009- Present

Co-Course Director, 2009 - Present

Pre-clinical Operative Dentistry II
1976-1979

Introduction to Cast Restorations
Course Director, 1981-1987
Course Participant, 1987-Present

Operative Dentistry Clinic
1976-Present

Treatment Planning Clinic
1976-1978

Dental Anatomy and Occlusion
1981

Dental Materials (Dental Hygiene)
1983

Lecturer, 2009 - Present

Pre-clinic Occlusion
1983

Pre-clinic Fixed Partial Denture Course
Lecturer, 1982-Present

Pre-clinic Removable Partial Denture Course
Lecturer, 1983-Present

Operative Dentistry III, Junior Lecture Series
Lecturer, 1983- 1992
Course Director, 1993-Present

Junior Series Lecture Course in Fixed Prosthodontics
Lecturer, 1983-1999

Graduate Student Dental Materials Course

Director, 1983-1989

Mock Board: Director of Operative Dentistry Section
1990-1998

Director, Section of Operative Dentistry
1992-1997

Director, Contemporary Esthetic Dentistry (Senior Course)
1995-1998

Seminar Leader, Jurisprudence/Ethics/Dental Practice
1996-2009

Director, Current Topics in Dentistry (National Board Part II review course, 1999-Present

Clinic/Pre-clinic Faculty Scheduler, 1999 - 2006

Course Development:

Numerous slide series for "Introduction to Cast Restorations"

Numerous slide series for "Pre-clinical Operative Dentistry I"

Laboratory manual: "Single Unit Cast Restorations," 1981

Laboratory manual: "Introduction to Cast Restorations," 1982-1987

Laboratory manual: "Operative Dentistry," 1989-Present; revised annually

Laboratory manual: “Dental Anatomy/Operative Dentistry,” 2009-Present

PowerPoints for “Dental Anatomy/Operative Dentistry,” 2009-Present

"New Materials" handout for clinical faculty/ staff/ students, 1990

"Link Plus Pin Placement Procedure" handout for clinical faculty/ staff/ students, 1991

"Policy for use of Posterior Composite Resin Restorations", 1992

Clinical Evaluation System for Operative Dentistry. Implemented August 1992.

Performance Criteria for Operative Dentistry, 1992.

Standards of Quality Care for Operative Dentistry, 1992.

Point System and Minimal Essential Experiences for Clinical Operative Dentistry. Implemented June 1993.

Manual: “Operative Dentistry III,” 1993 and revised annually.

Manual: “Current Topics in Dentistry,” 1999 and revised annually.
