UNIVERSITY OF LOUISVILLE
HOUSING & RESIDENCE LIFE

SUMMER, 2012

Welcome!

The University of Louisville Housing and Residence Life Department looks forward to your arrival on campus. We hope you are as excited to be moving into the residence halls as we are about having you as a resident! Summer is always an exciting time around here but not as exciting as that first weekend when everyone moves in.

We strongly recommend you check your assignment in case there have been any changes. We perform many room changes throughout the summer to accommodate room change requests and to consolidate available spaces. You can check your room through ULink or through Housing Student Web.

We look forward to your stay with us and are extremely excited for the new school year. We will have lots of fun activities planned for you during move in week and all throughout the year. GO CARDS!

Sincerely,

The Office of Housing and Residence Life
