

Scholarships, Grants and Payment Plans

The UofL College of Education and Human Development (CEHD) is committed to your success. We work proactively and strategically with adult students to achieve their academic goals. As an adult learner, we understand the demands of balancing work and family plus adding academic studies, therefore, we have compiled a list of scholarships (and payment plans) for you to consider. Note: Scholarships are competitive, not guaranteed, and subject to change. Additionally, we encourage you to visit the UofL Student Success Center to receive financial advising if needed.
