TRANSFER DEGREE PATHWAY GUIDE

Associate in Science to UofL for Bachelor of Science in CS and Engineering

Overview
Completion of the following curriculum will satisfy the requirements for the Associate in Science at the Kentucky Community and Technical College System and leads to the Bachelor of Science in Computer Science and Engineering at the University of Louisville.

Admission Requirements
Transfer students must have a minimum of 24 transferable credit hours and a minimum GPA of 2.8. Students must have a minimum grade of B- in the following courses: Calculus I (MAT 175) and College Chemistry I (CHE 170). All other grades must be have a C- minimum in order to count towards the degree requirements.

Degree Requirements
The baccalaureate degree in science is the undergraduate degree offered by the university. It is awarded to students who have completed both university-wide requirements and the requirements of the selected degree program. The following university-wide requirements apply to all baccalaureate degrees. The student must complete all Cardinal Core requirements, complete all required courses and program requirements listed in this form, have a cumulative GPA of at least a 2.25, or higher, complete 120 hours applicable to this program, and complete at least 60 hours at an accredited 4-year institution. Please visit https://catalog.louisville.edu/undergraduate/majors/bioengineering-bs/ for a list of all degree requirements.

General Transfer Requirements
Please reference the following links for information regarding admissions, scholarships, and speaking with an admission counselor.

- Application Process: http://louisville.edu/admissions/apply/transfer/admissions
- Scholarship: http://louisville.edu/admissions/apply/transfer/cost-of-attendance/kctcs
- Admissions Counselor: uofl.me/trf-appointment

All transfers students are required to meet with an academic advisor prior to registering for classes. During your advising appointment, your academic advisor will assess your transfer credit and provide a timeline to degree.

The J.B. School of Engineering has the following deadlines for their application:

- Fall – March 1st
- Spring – October 1st
- Summer – March 1st
# Associate of Science to Bachelor of Science in CS and Engineering

## Kentucky Community and Technical College System

### Category 1: KCTCS General Education Core Requirements (33 hours)

*TBS XXX means to be selected by KCTCS student.  
*One of these courses must be selected from the KCTCS identified Cultural Studies course list, indicate by placing (CS) next to the course name in Category 1 or 2 table.  
** Students who do not test into MAT 175 must complete MAT 150 AND MAT 155 before being able to take MAT 175. Students may also complete MAT 171 according to placement.

### Category 2: KCTCS Associate in Science Requirements (6 hours)
