The Office of Military and Veteran Student Services mission is helping active duty, reserve, veterans and their families reach their educational, career and life goals. The office provides a variety of services including advocacy during every phase of the pursuit of a college education.

For prospective students:
Our goal is to streamline the recruitment and admissions processes by:
• Serving as a single point of contact for military and veteran applicants
• Helping veterans understand VA benefits and other financial options available
• Implementing new outreach efforts for military service members and veterans
• Offering flexibility and guidance for active duty personnel and veterans
• Assisting in the evaluation of transfer credits

New Student Checklist
