

U of L

ALUMNI
ASSOCIATION

University of Louisville Central Kentucky Alumni Club

Greetings, University of Louisville Alumni and friends! We are anticipating another great year for the University Of Louisville and the Central Kentucky Alumni Club.

Our first activities will be the pep rally at the Red Mile the night before the UK game, which is sponsored by the University, and the big tailgate party before the game. The pep rally will begin at 6:00 PM and will be at the big, red U of L tent. All food for the event will be provided by the University, except any "cooler" drinks, and there will be a drawing for tickets to the UK-U of L game. All current club members will be eligible for the drawing to buy a pair tickets. The drawing should start about 7:15. Please try to attend the pep rally, and tell all U of L fans that you know, even if you do not need the tickets. This is one of our larger events of the year and we enjoy being with members and their families. This year we will have a special guest analyst from the University to break down the game. Please call John Workman at 269-2443 to RSVP, or email at j.workman@insightbb.com. GO CARDS!

Thanks to your participation and generosity, we are able to award scholarships to qualified students in our area. Please take a few minutes, fill out the enclosed form, and mail it along with your check to: Wayne Oates; 200 Springs Crest Drive; Nicholasville, KY 40256-9144.
