

# Hite Scholarship Application Information

## for current BA, BFA, and transfer students

The Hite Art Institute and Department of Fine Arts offers a number of merit scholarships and awards for undergraduate students. Hite Scholarships range from \$500 to \$7,500.\*

Merit scholarships are both a financial award and a recognition of excellence. Students who receive them have a responsibility to continue to excel in the studio and in the classroom. A merit scholarship is also a prestigious honor that carries with it a responsibility to give back to the department. Our scholarship recipients are our best and brightest students and we want to show them off, thus, they are asked to serve as representatives for the department at recruitment events and other department events and activities such as the Annual Art Auction.

*\* NOTE: All scholarship and award amounts may vary depending on tuition rates.*

**Deadline: February 15**

### Review and Selection Process
