Principal Investigator (Project Director) Financial Responsibility

Included in the email Award Notice from the Office of Sponsored Programs Grants Administration:

The Project Director (PD) has signature authority on this Speed-type and is responsible for ensuring the accuracy of all charges on this account. This includes ensuring that all charges comply with both University and sponsor guidelines. The PD is also responsible for the conductance or oversight of a monthly reconciliation of this account as the federal governments policy (which the University has adopted for all awards) allows 90 days for the review, discovery and correction of erroneous charges. Signature authority may be delegated from the PD to other staff or faculty, including the department chair, at the discretion of the PD. Such delegation must be in writing and kept on file in the department business office. However, please be aware that ultimate responsibility for the award remains with the Project Director.
