- 1988 - 1990 Member, Study Group on Identifying Carriers of Cancer Genes, Environmental Health Institute
- 1988 - 1990 Member, Advisory Group on Hospital Occupational Health and Safety, American Hospital Association
- 1987 - 1988 Member, Medical Testing and Health Insurance Advisory Panel, Office of Technology Assessment, United States Congress
- 1987 Member, Health Monitoring in the Workplace Advisory Panel, National Academy of Sciences
- 1986 Consultant, American Medical Association, Study on Drug Testing in the Workplace
- 1984 - 1985 Principal Legal Contractor, Reproductive Health Hazards in the

- Workplace, Office of Technology Assessment, United States Congress
- 1982 - 1985 Founder and Director, West Virginia University Occupational Health Law Program
- 1982 - 1984 Member, Preventing Illness and Injury in the Workplace Advisory Panel, Office of Technology Assessment, United States Congress
- 1982 - 1983 Principal Legal Contractor, The Role of Genetic Testing in the Prevention of Occupational Disease, Office of Technology Assessment, United States Congress

HONORS AND AWARDS

- 2017 Received American Bar Association Section on Real Property, Trust and Estate Law, Best Cutting Edge Article of the Year, “The Use of Genetic Information in Real Property Transactions”
- 2015 Received American Journal of Public Health Editor’s Choice Award for Paper of the Year, “The Moral Challenge of Ebola”
- 2013 Received Louis D. Brandeis Privacy Award, Patient Privacy Rights
- 2009 Elected Member, American Law Institute
- 2001 Named Herbert F. Boehl Chair of Law and Medicine, University of Louisville School of Medicine
- 1999 Received Esther Farfel Award, University of Houston’s highest honor for research, teaching, and service
- 1999 Received National Public Health Hero Award, University of California-Berkeley School of Public Health
- 1997 Received Jay Healey Distinguished Health Law Teacher Award, American Society of Law, Medicine and Ethics
- 1996 Received Ethel M. Baker Faculty Award for Community Service, University of Houston Law Center
- 1995 Named Hugh Roy and Lillie Cranz Cullen Distinguished Professor of Law, University of Houston Law Center
- 1995 Received Mayor and City Council of Houston Proclamation for Faculty Excellence
- 1993 Elected Fellow of the Hastings Center
- 1990 Named Law Foundation Professor, University of Houston Law Center

1990 Inducted into Abington (Pa.) High School Hall of Fame
1984 Received Hale Posten Award for Legal Scholarship, West Virginia University College of Law

BOARD MEMBER OR GRANT CONSULTANT (current)

Board of Editors, American Journal of Law and Medicine
Board of Editors, American Journal of Public Health
Consultant, University of Minnesota and Vanderbilt University Precision Medicine Initiative Coordinating Center
Editorial Board, Environmental Epigenetics
Editorial Board, Ethics and Human Research
Editorial Board, Journal of Law and Biosciences
Editorial Board, Personalized Medicine
External Advisory Board, Center for Genetic Privacy and Identity in Community Settings, Vanderbilt University
External Ethics Advisory Board, BioVU, Vanderbilt University Medical Center DNA Databank
Fellow, Hastings Center
International Editorial Advisory Board, Genetics and Society Book Series
Member, Advisory Board, Patient Privacy Rights
Member, Advisory Committee, Utah Center for Excellence in ELSI Research
Member, Bioethics Workgroup, International Human Epigenome Consortium
Member, Genetics and Insurance Working Group, University of Iowa
Member, Genomics in Society Expert Panel, Genome Canada
Member, National Workgroup, Genomic Rights Initiative, Mayo Clinic
Member, Regulatory and Ethics Working Group, Global Alliance for Genomics and Health
Member, Working Group, Law Seq: Building a Sound Legal Foundation for Translating Genomics into Clinical Application, University of Minnesota and Vanderbilt University

SPONSORED RESEARCH (all as PI or Co-PI unless otherwise noted)

2018-2021 “Regulation of International Direct-to-Participant Genomic Research,” National Human Genome Research Institute, National Institutes of Health, \$1,613,425

2017-2020 “Addressing ELSI Issues in Unregulated Health Research Using Mobile Devices,” National Cancer Institute; National Human Genome Research Institute; Office of Science Policy and Office of Behavioral and Social Sciences Research, Office of the Director, National Institutes of Health, \$1,926,297

2016-2020 “Addressing Ethical Challenges in Networked Biorepositories,” National Human Genome Research Institute, National Institutes of Health, \$37,000 (co-investigator)

2014-2016 “Harmonizing Privacy Laws to Enable International Biobank Research,” National Institute of General Medical Sciences and National Human Genome Research Institute, National Institutes of Health, \$642,690

2013-2014 “Crisis Standards of Care,” Kentucky Department of Public Health and

- Health Resources and Services Administration, HHS, \$30,356 (co-investigator)
- 2013-2016 “Genomic Diagnosis in Children with Developmental Delay,” Hudson/Alpha Institute for Biotechnology, National Human Genome Research Institute, National Institutes of Health, \$17,415 (consultant)
- 2007-2011 “Center for Environmental Genomics and Integrative Biology,” National Institutes of Health, \$50,552 (co-investigator)
- 2003-2006 “Center for Public Health Law Partnerships,” Centers for Disease Control and Prevention, \$989,000
- 2003-2004 “Quarantine and Isolation: Lessons Learned from SARS,” Centers for Disease Control and Prevention, \$99,868
- 2002-2005 “Education in Genetics Ethics,” National Human Genome Research Institute, National Institutes of Health, \$1,460,592
- 2002 “Research Agenda for Maternal Fatality Review Laws,” Centers for Disease Control and Prevention/American College of Obstetricians and Gynecologists, \$10,868
- 2001-2002 “Analysis of State Child Fatality Review Laws,” Centers for Disease Control and Prevention, \$171,202
- 2001-2004 “Regulation of Biobanks: Banking Without Checks or Insured Deposits?,” United States Department of Energy, \$600,000
- 2001-2004 “Genetic Ties and the Future of the Family,” National Human Genome Research Institute, National Institutes of Health, \$814,471
- 2000-2003 “Pharmacogenomics and Minority Populations,” National Institute of General Medical Sciences, National Institute of Environmental Health Sciences, and National Human Genome Research Institute of the National Institutes of Health, \$903,748
- 2000-2003 “Genetic Information and Life Insurance Underwriting,” National Human Genome Research Institute, National Institutes of Health, \$784,227
- 2000 “Texas Genetics Legislation,” Texas Department of Health, \$7,500 (co-investigator)
- 2000 “Legal Issues in the Regulation of Tuberculosis,” Centers for Disease Control and Prevention, \$7,500
- 2000 “Evaluating the Effectiveness of Laws Regulating Tobacco in

Texas," Centers for Disease Control and Prevention/Texas Department of Health, \$50,000 (co-investigator)

1999-2001 "Texas Health Legislation Research Center," Texas Legislature, \$700,000

1998 "Texas Partnership to Improve End-of-Life Care," Robert Wood Johnson Foundation, \$75,000 (co-investigator)

1998 "Policy Development on Managed Care and Cancer in Texas," Texas Cancer Council, \$105,000

1997 "Legal Protections for People with Disabilities," National Institute on Disability and Rehabilitation Research, United States Department of Education, \$60,000 (co-investigator)

1997-1999 "Texas Health Legislation Research Center," Texas Legislature, \$700,000

1997-1998 "Education on Legal Issues Involving Managed Care and Cancer," Texas Cancer Council, \$104,000

1996-1997 "Measuring the Effects of a Unique Law Limiting Employee Medical Examinations to Job-Related Matters," United States Department of Energy, \$126,000

1996 "Impact of Managed Care on Cancer Services in Texas," Texas Cancer Council, \$99,000

1995 "Privacy, Confidentiality, and New Genetic Technology," United States Department of Energy, \$30,000

1995-1997 "Family Violence and the Health Care System in Texas," Texas Legislature, \$518,200

1993-1995 "Nonfinancial Barriers to Health Care in Texas," Texas Legislature, \$283,600

1992 "The Human Genome Project and the Future of Health Care," National Center for Human Genome Research, National Institutes of Health, \$70,000 (co-investigator)

1991-1993 "Occupational Injury and Illness in Texas," Texas Legislature, \$290,400

1990 "Legal and Ethical Issues Raised by the Human Genome Project," National Center for Human Genome Research, National Institutes of Health, \$90,000
