SUBJ: Administrative Record Update for the Black Leaf Chemicals Removal Site, Louisville, Jefferson County, Kentucky.

Dear Ms. Browning:

We very much appreciate your assistance in preparing the above mentioned update as soon as possible, as there may be public inquiries in regard to this Administrative Record. I have tried to make the Instructions as simple as possible. Please proceed with the following instructions, exactly as they are presented.

INSTRUCTIONS:

1. INDEX, TITLE PAGE AND TABLE OF CONTENTS:

Please remove from Volume 1, the Title Page, Table of Contents, and the contents of the first three sections of the Index and replace with contents of Packet One.

2. ADDING DOCUMENTS

Please insert the contents of Packet Two directly after the last blue sheet in Volume 1.

To ensure receipt of the Administrative Record, I would appreciate your completion of the attached Document Transmittal Acknowledgment form. Please return this form in the enclosed self-addressed, stamped envelope.

Again, I would like to thank you for your cooperation with the U.S. EPA in serving as a Field Repository. If you have any questions or comments, please contact me at (404)562-8862.

Sincerely,

A handwritten signature in black ink, appearing to read "Debbie Jourdan", with a long horizontal flourish extending to the right.
