Procedures for Belknap Campus Evacuation by Automobile

You may use your vehicle to leave campus **unless directed otherwise** in the UofL Alert message.

Vehicle evacuation routes are found on maps in this section. Evacuation routes must be followed and alternate routes will not be allowed.

Police, Security and Parking Officer, Physical Plant workers and CERT Team members may direct traffic at certain intersections, please follow their directions.

Barricades will indicate streets that are not to be used during an evacuation.

Do not call 911 unless there is an immediate, life-threatening emergency.

Go to Louisville.edu for regular updates on the emergency situation and information on returning to campus.
