

The Box Inline grading tool now has the capability to download student submissions with instructor annotations embedded within the documents. When annotations are present within the document being rendered by New Box View a new button will be present for all users to download the document with annotations. Here are the steps to download the annotated PDF.

Instructors can download the annotated PDF from the Grading pane in any attempt by following these steps once grades and comments have been added to the submission:

1. Go to your course, and access Grade Center.
2. Go to Full Grade Center

3. Find a student submission that has been graded
4. Click the Dropdown menu on the right side of the cell and choose View Grade Details

5. Click the Button to Grade Attempt on the Grade Details Page
