The college has decided that adding the “Student Learning Outcomes” header to the “Relevant Professional Standards Met by the Course” section will fulfill this requirement.

7. **Relevant state standards met by course** *(required only for programs that have state standards)*

8. **Statement of meeting the Kentucky Common Core Standards** *(teacher preparation courses only).* As a Senate Bill 1 requirement, syllabi for teacher preparation courses must carry a statement similar to the following:

9. **Course Objectives** *(Describe what students will know &/or be able to do; indicate which standards and indicators each meets)*

10. **Conceptual Framework Summary**

    The conceptual framework, *Shaping Tomorrow: Ideas to Action*, embodies a unified rationale for our diverse programs that includes three constructs: Inquiry, Action, and Advocacy. Under the construct of **Inquiry**, and through active engagement and skilled training in methods of rigorous **Research**, candidates develop the knowledge, skills, and dispositions to become **Critical Thinkers**. Scholarship, informed practice through inquiry and reflection, is performed not in isolation but in communion with others, both within the university and in the world (Shulman, 2004).

    Under the construct of **Action**, and through continual **Practice**, candidates develop the knowledge, skills, and dispositions to become **Problem Solvers** in the community. They are encouraged to apply knowledge and change practice to solve real world problems. Under the construct of **Advocacy**, and through dedicated, committed **Service** to their peers, university, community, and world, candidates develop the knowledge, skills, and dispositions to become **Professional Leaders**. Our candidates are empowered to participate fully in the life of the metropolitan community in which we live, to practice social justice, and to seek equity of educational access for all the constituents.

16. **Policy on Instructional Modifications**
   Students with disabilities, who need reasonable modifications to complete assignments successfully and otherwise satisfy course criteria, are encouraged to meet with the instructor as early in the course as possible to identify and plan specific accommodations. Students will be asked to supply a letter from the Disability Resource Center to assist in planning modifications.

17. **CEHD Diversity Statement**

Students will be encouraged to investigate and gain a current perspective of diversity issues (race, ethnicity, language, religion, culture, SES, gender, sexual identity, disability, ability, age, national origin, geographic location, military status, etc.) related to their chosen fields. Students will also have the opportunity to examine critically how diversity issues apply to and affect philosophical positions, sociological issues, and current events in a variety of areas. Students will examine their belief systems and be encouraged to reexamine and develop more grounded beliefs and practices regarding diversity.

18. **Title IX/Clery Act Notification (Must be added to all syllabi by July 1, 2015)**

Students experiencing such behavior may obtain confidential support from the PEACC Program 852-2663, Counseling Center 852-6585 and Campus Health Services 852-6479. To report sexual misconduct or sex discrimination, contact the Dean of Students (852-5787) or University of Louisville Police (852-6111).

All contributions and assessments in this course, including any field placement requirements, will demonstrate academic integrity which means that submitted work is of high quality, is original, and represents a single submission, unless otherwise noted through explicit and appropriate citations.
