

Adding Standard Sets

When searching for standards in LiveText, the search tool automatically pulls up your “Personal” set of standards or you can search through “All”. If there is a set of standards missing from your “Personal” set you can add them in your account settings with the steps below.

From the Dashboard, click on my account “**My Account**” in the top right corner.

The screenshot shows the LiveText dashboard interface. At the top right, the user is logged in as 'CEHD Test1 (Faculty)'. The navigation bar includes 'Dashboard', 'Courses', 'Documents', 'Reviews', 'Forms', 'Community', 'ExhibitCenter', and 'Tools'. The 'My Account' link is highlighted with an orange arrow. The main content area is divided into 'What's New' (announcing release 7.4.0) and 'Active Documents' (showing a table of documents like 'Katie Hunt's Education Administration Portfolio'). A right sidebar contains 'Course Sections', 'Quick Links', and 'File Manager'.
