

Viewing Graded Work

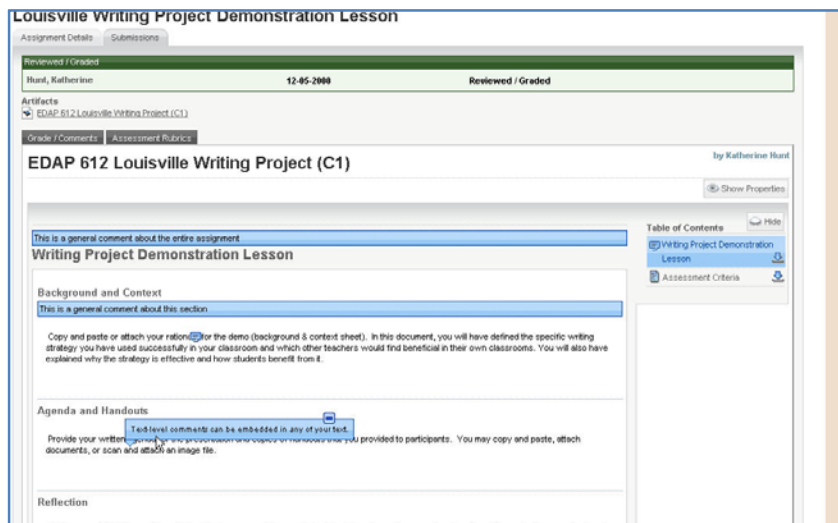

1. Once an assignment has been graded, it turns green on the “Dashboard”.

2. Click on the “View Assessment” tab.
3. To view comments that may have been made on your assignment, click on the document title listed under Artifacts.

4. Now that your assignment is displaying you will see overall comments in blue bars that span across the length of the assignment. In addition, a professor may have made text-level comments, which will appear as small blue boxes. If you click on the small blue boxes they expand to display the full comment.

5. To view the completed Rubric or the Grade/Comments, click on the tabs above the document.

The screenshot displays the Blackboard LMS interface for an assignment titled "Louisville Writing Project Demonstration Lesson". The interface includes tabs for "Assignment Details" and "Submissions". The submission is by "Hunt, Katherine" on "12-05-2008" and is marked as "Reviewed / Graded".

The "Artifacts" section shows the assignment "EDAP 612 Louisville Writing Project (C1)". Below this, there are tabs for "Grade / Comments" and "Assessment Rubrics". The "Assessment Rubrics" tab is active, showing a rubric table with the following data:

	Target (3 pts)	Acceptable (2 pts)	Unacceptable (1 pt)	N/A
