

College of Education and Human Development
Honors Project Evaluation

Student's name _____ Date _____

Project Title _____

Faculty Advisor _____ Dept. _____

PURPOSE OF HONORS PROJECT	Exemplary	Acceptable	Unacceptable
The project clearly demonstrates relevance to the student's program of study and intended career.			
The project makes a clear connection to the mission of the College of Education and Human Development.			
The author makes a compelling argument for the significance of the research within the context of current knowledge and literature.			
Please comment on the extent to which the project is consistent with the intended purpose of the CEHD's Honors Project:			
CONTENT	Exemplary	Acceptable	Unacceptable
The literature review (and/or discussion of the literature) is accurate and appropriate.			
There is a compelling discussion of the implications and significance of the project.			
Please comment on the research, sources, and evidence used in this paper here:			
WRITING AND ORGANIZATION	Exemplary	Acceptable	Unacceptable
Based on purpose of the project, the writing is appropriate for the target audience.			
The paper is clearly organized, free of writing errors and follows the required format.			
The references used are presented consistently and professionally throughout the text and in the list of works cited.			
Please comment on the writing and organization of the project:			

RECOMMENDATION: PASS FAIL
