Interdisciplinary Wellness Coaching Minor

Plant a powerful seed for your personal and professional success!

Wellness Coaching is an emerging profession that has roots in applied behavioral science and adult development, and more recently has embraced positive psychology. Behavioral scientists have shown that one-on-one coaching is among the most effective approaches to helping people make and sustain improvements in their lives.

International Coaching Federation

What’s in it for You?

● Develop International Coaching Federation (ICF) core competencies.
● Partner with Wellcoaches®/ACSM, the platinum standard in wellness coaching.
● Prepare for coaching certification.
● Gain a competitive edge in the wellness industry through UofL’s wellness coaching minor.

Endorsements

“The University of Louisville is at the cutting-edge in teaching wellness coaching at the undergraduate level. I am impressed with not only the Interdisciplinary Wellness Coaching Minor curriculum, but also with the expert team of interdisciplinary faculty and the engagement and the caliber of UofL’s wellness coaching students.”

Margaret Moore, Founder & CEO Wellcoaches
