

PROFESSIONAL VITA

Nancy J. Cunningham

EDUCATION

Ph.D. Counselor Education, Michigan State University, East Lansing, Michigan
Cognate Area: Clinical Psychology (1978)

M.A. Counseling Psychology, University of Minnesota, Minneapolis, Minnesota
Minors: Educational Psychology and Child Psychology (1971)

B.A. Psychology, Michigan State University, East Lansing, Michigan (1969)

PROFESSIONAL LICENSURE

Counseling Psychologist, Commonwealth of Kentucky (License No. 360)

PROFESSIONAL EXPERIENCE

September 1977 to present: Professor, Department of Educational and Counseling Psychology, University of Louisville, Louisville, Kentucky. Responsibilities include teaching courses in assessment; counseling theory, methods, and techniques; consultation; prevention; supervising master- and doctoral-level practicum and internships; academic advising; supervising doctoral research; various service and research activities related to the areas of counseling psychology and prevention.

September 2002 to present: Program Coordinator, Mental Health Counseling Program, Department of Educational and Counseling Psychology, University of Louisville, Louisville, Kentucky. Program faculty, Counseling Psychology.

August 2000 to May 2006: Project Director, Center for Safe Urban School Communities. University of Louisville, Louisville, Kentucky. This project, funded by the U.S. Department of Justice Office of Juvenile Justice and Delinquency Prevention, provided training, technical assistance, and dissemination services related to the prevention of youth violence to urban communities.

April 2001 to December 2005: Associate Director, Muhammad Ali Institute for Peacemaking and Conflict Resolution, University of Louisville, Louisville, Kentucky. Responsibilities included initiating and overseeing projects related to violence prevention and conflict resolution in the domains that effect youth (family, school, community).

October 1990 to 1996: Director, Southeast Regional Center for Drug-Free Schools and Communities. University of Louisville, Louisville, Kentucky. This U.S. Department of Education technical assistance center provided training, technical assistance, and dissemination services related to the prevention of alcohol, tobacco, and other drug use, violence, and other related youth health areas to the southeast region of the United States.

October 1990 to September 1993: Project Director, *Bridge to Success*. A research demonstration project focusing on the risk factor of elementary to middle school transition. Funded by the U.S. Department of Education.

October 1990 to March 1992: Project Director, *Project SUN* (Schools United with Neighborhoods Against Drug Abuse). A project designed to build school/community planning initiatives focusing on early prevention in ten Jefferson County, Kentucky elementary school neighborhoods. Funded by the U.S. Department of Education.

July 1989 to June 1991: Project Director, *A Cooperative School/Community Model for Drug Education and Prevention in Louisville-Area Schools*. A community-wide planning initiative focusing on identifying and addressing risk factors for adolescent drug use. The project included a summer drug prevention institute at the University of Louisville. Funded by the U.S. Department of Education.

October 1987 to December 1988: Project Director, *A Preservice and Inservice Project for Drug Education and Prevention in Louisville-Area Schools*. The project included a summer drug prevention institute at the University of Louisville. Funded by the U.S. Department of Education.

September 1975 to August 1977: Staff Psychologist, Ingham County Probate Court, Lansing, Michigan. Duties included psychological evaluations of adolescents and adults involved in the juvenile court system; counseling and psychotherapy with adolescents, adults, and families; group counseling with adolescent females; consultation with caseworkers, group home parents, and other court personnel.

June 1975 to August 1977: Research Consultation, Office of Research Consultation, College of Education, Michigan State University (Graduate Assistant). Duties included helping university faculty and graduate students with all phases of research including designing research studies, development of research instruments, data collection, statistical analysis, and computer utilization. Instructor in research seminar aimed at helping doctoral students with dissertation research.

Fall 1976: Instructor, Michigan State University Continuing Education. Taught Guidance and Personnel Services, an introduction to the field of guidance for graduate students.

Summer 1976: Instructor, Michigan State University Continuing Education. Taught Guidance Techniques in the Classroom, an introduction to counseling techniques useful to teachers and school administrators.

Fall 1973, 1974, Spring 1974-76: Practicum Supervisor, Counseling Department, College of Education, Michigan State University (Graduate Assistant). Duties included supervising masters-level practicum students in the rehabilitation and school counseling programs both individually and in small groups.

Winter 1974 and 1975: Lab instructor for graduate-level course in the counseling process, Counseling Department, College of Education, Michigan State University (Graduate Assistant). Duties included providing instruction and feedback to small groups of masters students in counseling involved in intensive practice of the counseling process.

January 1975 to August 1975: Research Consultant, Data Analysis Unit, College of Human Ecology, Michigan State University (Graduate Assistant). Duties included helping university faculty and graduate students with all phases of research including designing research studies, development of research instruments, data collection, statistical analysis, and computer utilization.

September 1974 to June 1975: Graduate Assistant in Statistics, Department of Educational Psychology, College of Education, Michigan State University. Duties included teaching labs

in statistics and research design, and aiding in statistical analysis of research data including computer analysis of data.

September 1973 to June 1974: Graduate Assistant in Tests and Measurement, Department of Educational and Counseling Psychology, College of Education, Michigan State University. Duties included teaching labs in testing and measurement, and writing test question manuals to accompany textbooks in testing and measurement.

January 1972 to June 1972: Research Position, University of Minnesota Measurement Services Center. Duties included helping plan, develop, and implement institutional research studies sponsored by the university administration.

July 1971 to November 1971: Youth Services Representative, Illinois Juvenile Officer's Information File, Rolling Meadows, Illinois. Duties included writing an operations manual and planning a program for the coordination of services for juvenile offenders in the Cook County area.

September 1969 to June 1971: Research Assistant, University of Minnesota Bureau of Institutional Research. Duties included helping plan, develop, and implement university research projects including a university-wide system of student evaluation of instruction.

RELATED PROFESSIONAL EXPERIENCE.

Summer 1975: Instructor's Aid in Seminar in Behavior Modification, Counseling Department, College of Education, Michigan State University. Duties included preparing and delivering lectures related to course content including N of 1 research designs and helping students with individual behavior change projects.

Fall 1974 to Spring 1975: Counselor and Supervisor, Reading Center, College of Education, Michigan State University. Duties included setting up a system for delivering counseling services to children and adolescents with reading difficulties, counseling, and supervision of master's students counseling in the Reading Center.

Fall 1975 to Spring 1976: Counselor, Behavioral Counseling Lab, Department of Counseling, College of Education, Michigan State University. Duties included counseling children, adolescents, and adults referred to the Lab by community agencies.

Spring 1975: Consultant, House of Commons, Residential Facility for Heroin Addicts, Lansing, Michigan. Provided consultation on internal operations of the agency and the agency's relationship to the community.

Fall 1970 to Spring 1971: Practicum student, University of Minnesota Counseling Bureau, University of Minnesota, Minneapolis, Minnesota. Duties included personal and vocational counseling and diagnostic testing.

ADMINISTRATION

Project Director, Center for Safe Urban School Communities.

University of Louisville, Louisville, Kentucky. This U.S. Department of Justice technical assistance center provided training, technical assistance, and dissemination services related to the prevention of youth violence to urban communities.

Key events presented by the Center that I was instrumental in initiating, planning, and delivering:

School-Community Leadership Training, Orlando, FL, February 27-March 1, 2003.

Comprehensive Planning for Youth Violence Prevention: Knowledge Development and Team Building Training, Indianapolis, IN, January 22-23, 2002

Comprehensive Planning for Youth Violence Prevention: Comprehensive Planning Training, Indianapolis IN, March 5, 2002

Comprehensive Planning for Youth Violence Prevention: Knowledge Development and Team Building Training, Salt Lake City, UT, December 13-14, 2001

Comprehensive Planning for Youth Violence Prevention: Comprehensive Planning Training, Salt Lake City, UT, April 29-30, 2002

Comprehensive Planning for Youth Violence Prevention: Knowledge Development and Team Building Training, Mesa, AZ, February 4-5, 2002.

Comprehensive Planning for Youth Violence Prevention: Comprehensive Planning Training, Mesa, AZ, April 15-16, 2002.

Director, Southeast Regional Center for Drug-Free Schools and Communities, a U.S. Department of Education technical assistance center with an annual budget of \$3 million providing technical assistance in alcohol, tobacco, and other drug use prevention, community planning, and related topics to the southeast region of the United States. Oversee the work of 45 professional and support staff including 22 field staff. Edit content and contribute to all Center publications. (1990 - 1996)

Key events presented by the Center that I was instrumental in initiating and planning:

Building Resilient Youth: Renewing and Creating Protective Traditions for the 21st Century. 1994 regional conference for 450 participants. Format included nationally recognized keynote speakers, content sessions, workshops, and a recognition ceremony for award-winning prevention programs in the southeast region. Atlanta, GA, September 19-21, 1994.

Successful Transitions Through Collaboration. 1993 regional conference for 300 participants. Format included nationally recognized keynote speakers, content sessions, workshops, and a recognition ceremony for award-winning prevention programs in the southeast region. Nashville, TN, September 20-22, 1993.

The Role of Historically Black Colleges and Universities in Alcohol and Other Drug Prevention: Present Programming and Future Commitment, a prevention conference for HBCUs in the southeast region. Washington, DC, November 18-20, 1992.

School/Community Team Training for the Second Army Command, a national community mobilization/prevention training for Army Reserve, active Army, and National Guard. Atlanta, GA, September 22-23, 1992.

Region-wide Think Tank (*Thinking for a Change*) sponsored by the Center for prevention leaders from the southeast region to meet and share ideas about issues and the future for prevention in the region and nationally. Hilton Head Island, September 9-11, 1992.

Dean's Symposium for deans from schools of education in the southeast region to address integrating prevention into the teacher education curriculum. Kiawah Island, SC, February 6-7, 1992.

Director, Bridge to Success, a research demonstration project funded by the U.S. Department of Education to provide training and consultation to fifth and sixth grade teachers at three elementary and one middle school in Jefferson County Public Schools, Louisville, KY, to enable them to develop action plans for ensuring a drug-free transition to middle school. Components of the research project included teacher training, classroom activities, parent training, and peer mentoring. (1990 - 1993)

Director, Project SUN, a school personnel training grant funded by the U.S. Department of Education to provide training in alcohol, tobacco, and other drug prevention and action planning to K-3rd grade school personnel in 10 Jefferson County Public Schools in Louisville, KY. School teams developed action plans to address early prevention. (1990 – 1992)

GRADUATE COURSES TAUGHT

ECPY 619 Empirical and Theoretical Foundations of Counseling and Psychotherapy
ECPY 626 Consultation
ECPY 629 Theories and Techniques of Counseling and Psychotherapy
ECPY 680 Counseling Practicum
ECPY 682 Internship in Mental Health Counseling
ECPY 683 Internship in Counseling Psychology
ECPY 700 Research in Counseling Psychology
ECPY 711 Primary Prevention (Prevention of Mental Disorders: Theory, Research, and Practice)
ECPY 755 Counselor Supervision
ECPY 780 Practicum in Prevention
ECPY 782 Doctoral Internship

RESEARCH IN PROGRESS

Bullying in middle and high school particularly related to school environment/climate and early initiation of sexual bullying, cyberbullying
Study of the process of comprehensive planning in school-community prevention
Study of the provision of technical assistance in support of school-community prevention planning
