

VITA

DAVID W. BRITT, Ph.D.

Revised: 07/24/07

1. PERSONAL DATA

Office Address: Professor and Chair
Department of Health and Sports Sciences
University of Louisville
Louisville, KY 40292
O) 502-852-0548
C) 347-831-0293
Fax: 502-852-4534
Email: david.britt@louisville.edu
Web: www.Louisville.edu/education/departments/hss

2. ACADEMIC TRAINING

M.A., University of North Carolina, Chapel Hill, 1966
(Sociology)

Ph.D., University of North Carolina, Chapel Hill, 1969
(Sociology)

3. UNIVERSITY APPOINTMENTS

[a] (June, 2001 – June, 2003) Research Professor, Department of Obstetrics and Gynecology, MCP Hahnemann University/Drexel

[b] (August, 1999 – May, 2001) Professor and Chair, Department of Sociology, WSU

[c] (July, 1994 – 1999) Professor of Sociology, Department of Sociology, Wayne State University.

[d] (July, 1989 - July, 1994) Chairman and Professor, Department of Sociology, Wayne State University.

[e] (August, 1984 - June, 1989) Chairman, Department of Social Science, University of Maryland Eastern Shore, and Visiting Associate Professor of Sociology and Business Administration

- [f] (1979-June, 1982) Associate Director, Center for the Study of Administration and Director, Doctorate Program in Public Administration, Nova University, Fort Lauderdale, Florida.
- [g] (1977-1980) Research Professor, then Director, Master of Science in Criminal Justice Program, Nova University, Fort Lauderdale, Florida.
- [h] (1971-1977) Assistant, then Associate Professor with Tenure, Department of Sociology, Florida Atlantic University, Boca Raton, Florida.
- [i] (1968-1971) Instructor, then Assistant Professor, Department of Sociology, Vanderbilt University, Nashville, Tennessee.

4. GRANTS AND CONTRACTS

- 1971 Patterns of Leisure in the Inner City. Under contract #14-10-6; 990-315 with the National Park Service (with William Yancey; approximately 35K).
- 1972 Continuities in the Analysis of Industrial Conflict. Three-month seed grant and summer stipend supported by Florida Atlantic University (approximately 3.2 K).
- 1972 Continuities in Industrial Conflict I. Twelve-month grant supported by the National Science Foundation (with Omer R. Galle; approximately 40K).
- 1973 Continuities in Industrial Conflict II. Twelve-month grant supported by the National Science Foundation (with Omer R. Galle and Robert Stern; approximately 35K).
- 1975 Stress and Disease: An Econometric Analysis of the Relationship between the Economy and Patterns of Disease. Seed grant from Florida Atlantic University. (with D. Hemly & M. Redman; approximately 2K).
- 1975 Moral Norms, Environments and Deviance. Eighteen-month grant supported by the National Institute of Alcoholism and Alcohol Abuse (with Ernest Q. Campbell; approximately 35K).
- 1976 A Longitudinal Analysis of the Relationship Between Suggestibility and Violence. A twelve-month grant from the Social Science Research Council underwritten by LEAA (approximately 2.5K).
- 1985 A systems analysis of hijacking control, a 15K contract with the Federal

Aviation Administration's Office of Aviation Medicine to examine the integrity of the passenger screening system with respect to different environmental threats.

1986 A pilot test of risk profile analysis: predicting the occurrence and escalation of accidents and workmen's compensation costs, a 9.5K grant funded by the Bureau of Engraving and Printing's Division of Industrial Relations.

1987 Increasing the Adaptability of the Domestic Civil Aviation Passenger Screening System's Defenses Against Hijacking Attempts, a continuing small contract with the Office of Behavioral and Aviation Medicine, Federal Aviation Administration (15K per time period)

1987 Technological Discontinuities, Turmoil and Accident Risk, two 24.5K grants funded by the Bureau of Engraving and Printing's Division of Industrial Relations, U.S. Department of the Treasury.

1988 The Hiring/Training/Testing Process as a Lever for Change in the Domestic Passenger Screening System, a continuing small contract with the Office of Behavioral Research and Aviation Medicine, Federal Aviation Administration (20K).

1989 Using a Panel Study of Security Managers to Predict Risk of FAA Test Failure (10K per time period).

1989 Britt, D.W. (Interim PI) PACT Prevention: Protecting children at by increasing familial coping skills. Department of Social Services, State of Michigan (\$56,619)

1989 Britt, D.W. (Interim PI) PACT Intervention: Protecting children at high risk of child abuse through familial coping-skill enhancement and permanency planning. Department of Social Services, State of Michigan (\$529,632)

1990 Britt, D.W. (co-PI) Developing internship opportunities in health-related fields for Native American students. Department of Public Health, State of Michigan (\$30,000)

1990 Britt, D.W. and Rawls, A. (co-PI's) Intergenerational bonding: An interactional analysis. Skillman Foundation (3 years; budget for first year, \$150,000; year two, \$113,000; year three, \$100,000)

1990 Britt, D.W. (PI) and Wilson, L. (co-PI) HIPPY (Home Instructional Program for Preschool Youth). Michigan Legislature (an

Amendment to Enrolled Senate Bill 820, the Education Bill)
(\$75,000/year for three years).

- 1991 Britt, D.W. and Firestone, C. (co-PI's) HIPPY Pilot Program Support. Pistons-Palace Foundation (\$10,000, year one; \$20,000, years two and three)
- 1991 Britt, D.W. and Firestone, C. (co-PI's) HIPPY Family Support Component Support. Skillman Foundation (3 years at \$43,000 per year).
- 1992 Britt, D.W. & Wilson, L. (co-Directors along with other members of a National Research Panel empowered by the Board of HIPPY International) Evaluating HIPPY: A multi-site, longitudinal implementation study. Carnegie Foundation, passed through NCJW's Center for the Child (\$37,500).
- 1998 Britt, D.W. Sociological Implications of Medical Genetics. Internal funds from the Vice President of Research , WSU (\$75,000).
- 1999 Babba, M (PI), Britt, DW (co-PI), Gleusing, J (co-PI) et al The Evolution 2000 of globally-distributed teams. National Science Foundation. (\$299,000) .

5. BOOKS

- 1997 Britt, D.W. *A Conceptual Introduction to Modeling: Quantitative and Qualitative Perspectives*. Mahwah, NJ: Lawrence Erlbaum Associates).

6. PUBLICATIONS IN REFEREED JOURNALS

- 1971 Britt, D.W. "The effects of probability of reinforcement and social stimulus consistency on imitation," *Journal of Personality and Social Psychology*, 18, 189-200.
