CLINICAL EXPERIENCE

05/19-Present Licensed Psychologist in Kentucky, #251218

08/18-05/19 Supervisor (Temporary Licensed Psychologist, #174480)
University of Louisville Trager Institute (formerly the Institute for Sustainable Health & Optimal Aging), Louisville, KY

- Supervise masters-level psychology students placed in primary care clinics providing behavioral health interventions with older adults

- 08/17-05/19 Supervisor and Clinician (Temporary Licensed Psychologist, #174480)
University of Louisville Cardinal Success Program, Louisville, KY
- Supervise masters and doctoral-level psychology students placed in two transdisciplinary behavioral health clinics located in a historically underserved community
 - Conduct intakes and provide individual therapy
- 08/14-07/15 Pre-Doctoral Intern
University of Utah Counseling Center, Salt Lake City, UT
- Conducted structured intakes, administered, scored, and interpreted assessment batteries, and provided individual therapy to college students
 - Co-facilitated Women Owning Womanhood (WOW) therapy group, Mindful Approach to Work/Life Balance Workshop, and the Sharing and Caring Grief Support Group
 - Supervised three doctoral-level psychology students
 - Outreach: co-facilitated presentations, assisted in drafting UCC statements in response to social justice issues, and posted on UCC social media platforms
- 08/13-05/14 Graduate Assistant Outreach Coordinator
University of Louisville Counseling Center, Louisville, KY
- Created and maintained social media platform and updated website
 - Facilitated outreach events focused on reducing stigma associated with seeking mental health care
 - Developed and facilitated presentations and dialogues about mental health with various student groups (e.g., residential assistants, LGBT Center ambassadors)
 - Collaborated with Office of Health Promotion to facilitate stress resiliency and flash nap workshops with student groups and organizations
 - Collaborated with Campus Health Services on the National College Depression Partnership to improve interdisciplinary care services on campus related to depression
- 08/13-05/14 Counseling Psychology Intern
Indiana University Southeast Counseling Center, New Albany, IN
- Conducted intakes and provided individual therapy to college students
 - Provided consultation with students about graduate school in psychology
- 01/13-08/13 Counseling Psychology Intern
The Brook Hospital – KMI, Louisville, KY
- Conducted structured intakes and provided individual therapy to adults
 - Facilitated and co-facilitated daily emotion regulation skills groups and psychoeducation groups
- 08/12-01/13 Counseling Psychology & Assessment Intern
Weisskopf Child Evaluation Center, Louisville, KY
- Conducted evaluations with interdisciplinary teams to assess children, ages 3 to 18, for developmental delays and disabilities

- Provided individual and family therapy with children and caregivers
- Provided co-therapy with occupational therapists to families

05/12-08/12

Assessment Intern
Maloney Center, Louisville, KY

- Conducted clinical interviews and administered, scored, and interpreted assessments evaluating mental health functioning of children, ages 9 to 17

08/11-05/12

Counseling Psychology Intern
University of Louisville Counseling Center, Louisville, KY

- Conducted structured intakes and provided individual therapy to college students
- Co-facilitated Women's Group
