1 Make sure you click on “Assessments New” area to get your students list and assessments. (“Course Assessments” is for course faculty only , not the University Supervisors)

2 Click on the student name to assess the students and fill out rubrics. See the instructional video on the website listed below under the Supervisor Resources.

Additional Information:

1. Supervisors will always use the “Assessments New” area to get your students list and assessments.
2. Students follow a different process to submit their assessments to their university supervisors.
3. Students have to select their assigned university supervisor to submit work.
4. Students have to submit assessment forms like Dispositions, field observation forms, etc. to the university supervisors so they can be assessed in Foliotek.
