

# Kentucky Autism Training Center Training. Support. Resources.

*The mission of the Kentucky Autism Training Center (KATC) is to enhance supports for persons with autism by providing information and technical assistance to families and service providers across Kentucky.*

## **School-Based Team Consultations and Technical Assistance**

Staff members of the Kentucky Autism Training Center can work directly with teams of professionals and parents to facilitate the development, implementation, and evaluation of educational and community-based programs for children and adolescents with autism. School systems, educational cooperatives, or individual schools can schedule workshops and application sessions.

## **Training, Supports and Resources for Families and Professionals**

The KATC strives to create statewide supports and training activities for professionals and families who are affected by autism. The KATC does this by offering:

- Informative web-site
- Web-Based Kentucky Autism Service and Supports Directory
- Amanda L. King Resource Library
- Quarterly Electronic Newsletter
- KYAUTISM Listserv
- Regional Workshops
- Annual Autism Institute
- Graduate and Undergraduate Course Work
