

Art and Foreign Language Education (P-12)

Pre-requisites

Students interested in art or foreign language teacher certification (grades P-12) first complete a bachelor's degree with a major in either (depending on the area of interest) Studio Art, Spanish, or French prior to entering the teacher certification program at the graduate level. Students must apply and be accepted into the Master of Arts in Teaching (MAT) degree program in order to complete teacher certification. Please review the admissions packet of general admission requirements for the MAT program. For those students interested in teaching Physical Education and Health are encouraged to speak directly with an Advisor.

Those students who do not complete a major in one of the abovementioned areas must complete the prerequisite courses as indicated below to be eligible for application to the program. These prerequisite courses may be taken in post-baccalaureate status. An overall 2.50 grade point average is required for these prerequisite courses.
