- All scholarships offered through the College of Education are tuition specific and will only cover tuition. If your tuition is covered by other sources (grants, tuition remission, other scholarships) please be aware that the award may not post to your account due to financial aid limits.

Every attempt is made to post the scholarship awards prior to the Bursar's deadline for the payment of tuition each semester. If this does not occur, however, the scholarship recipient is responsible for making payment in full. Once the award is posted with the Bursar, the recipient will be reimbursed in accordance with the amount of the scholarship.
