

College of Education & Human Development Petition to the
STANDARDS & ADMISSIONS COMMITTEE

For Graduate Students Only

Instructions for Submitting a Petition to the College of Education & Human Development Standards & Admissions Committee:

- The Committee usually meets once a month. Your petition must be submitted to the College of Education & Human Development Advising Center three working days prior to the Committee meeting. Contact the Education Advising Center (852-5597) to find out the Committee's regular monthly meeting date as this date changes each semester.
- Your petition should state exactly what you are requesting. You may wish to ask someone to read your petition before you submit it in order to be sure that it is clearly understood by others.
- Your reasons for your request should be clear and include all details. If you need additional space, you may attach another sheet of paper. **Consider typing request.**
- If you are requesting a bankruptcy or forgiveness (*for undergraduates only*), you must indicate in detail the reasons for your poor performance in that particular semester.
- You will receive a letter containing the Committee's action on your petition. If you need to know your results earlier, it is suggested that you call the Education Advising Center (852-5597) to obtain the Committee's decision.
- It is helpful if you have supporting statements from faculty advisors or instructors. If you wish to ask someone to support your petition, the letter must be received in the EAC three working days prior to the Committee meeting date.
