

# KEA STUDENT PROGRAM

“Drive In” Professional Development Day ♦ September 26, 2009  
Madisonville Community College Health Campus  
Hatley Building ♦ 750 North Laffoon Street

## SCHEDULE

**9:00 – 9:20 a.m.** Registration and check-in

**9:30– 10:30 a.m.** Professional Development Session I (Choose 1)

**“ONE SIZE DOES NOT FIT ALL: Special Needs Students in the Regular Classroom”**

*Dena Amburgy, NBCT, Exceptional Needs Specialist, Montgomery County High School*

Participants will develop a deeper understanding of special needs students and will take away from this workshop a set of strategies that are readily applicable for accommodating students in their classrooms.

**“LIVING YOUR PROFESSION: KENTUCKY’S PROFESSIONAL CODE OF ETHICS”**

*Tammy Baltzell, KEA UniServ Director*

Sure, you’ve signed it. Maybe you’ve even read it. But do you know what it really means for your life and work? In this session you will discuss real-life scenarios that illustrate the challenges of working—and living—within the bounds of the Kentucky Code of Ethics for Certified Personnel.

**“REAL MATH STRATEGIES THAT WORK”**

*Patsy Fisk, Northern Kentucky University*

The presenter models how teachers today can present a lesson in a format that is student-centered, to help the student understand a math concept in a meaningful way, rather than memorizing facts or steps to solving a problem. Students will work with manipulatives (fraction circles or squares) in cooperative groups to solve a problem, and will be able to show their solutions and explain their thinking in a whole class discussion.

**10:40– 11:40 a.m.** Professional Development Session II (Choose 1)

**“ONE SIZE DOES NOT FIT ALL: Special Needs Students in the Regular Classroom”**
