## LIVING-LEARNING & THEMED COMMUNITIES

One of the greatest perks of living on campus is the chance to join one of our Living-Learning (LLC) and Themed (TC) Communities!

LLCs and TCs provide the opportunity for students with shared interests to live together in the same section of a residence hall. Members access tailor-made academic and staff support, leadership opportunities, social events, and more. In addition, LLC members participate in select courses together.

Just this past year, nearly half of all first-year housing applicants chose to apply for an LLC or TC. Here are a few reasons why:\*

**Higher GPA**

**Higher  
Retention**

**Dean's List**
