

**EPO Benefit Summary
ASO Choice**

University of Louisville EPO Medical Plan

Network includes University of Louisville and UnitedHealthcare providers.

UnitedHealthcare and University of Louisville want to help you take control and make the most of your health care benefits. That's why we provide convenient services to get your health care questions answered quickly and accurately:

- **myuhc.com**® - Take advantage of easy, time-saving online tools. You can check your eligibility, benefits, claims, claim payments, search for a doctor and hospital and much, much more.
- **24-hour nurse support** – A nurse is a phone call away and you have other health resources available 24-hours a day, 7 days a week to provide you with information that can help you make informed decisions. Just call the number on the back of your ID card.
- **Customer Care telephone support** – Need more help? Call a customer care professional using the toll-free number on the back of your ID card. Get answers to your benefit questions or receive help looking for a doctor or hospital.

The Benefit Summary is intended only to highlight your Benefits and should not be relied upon to fully determine your coverage. If this Benefit Summary conflicts in any way with the Summary Plan Description (SPD), the SPD shall prevail. It is recommended that you review your SPD for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

PLAN HIGHLIGHTS

Types of Coverage	Network Benefits
Annual Deductible	
Individual Deductible	No Deductible
Family Deductible	No Deductible
Out-of-Pocket Maximum	
Individual Out-of-Pocket Maximum	\$2,000 per year
Family Out-of-Pocket Maximum	\$4,000 per year
Benefit Plan Coinsurance – The Amount the Plan Pays	
	90% Coverage
Lifetime Maximum Benefit	
There is no dollar limit to the amount the Plan will pay for essential Benefits during the entire period you are enrolled in this Plan.	No Lifetime Maximum Benefit
Prescription Drug Benefits	
<ul style="list-style-type: none"> • Prescription drug benefits are shown under separate cover.

Surgery – Outpatient	
	100% after \$100 Copayment
Transplantation Services	
	* 90% Coverage
	<i>For Network Benefits, services must be received at a Designated Facility.</i>
Urgent Care Center Services	
	100% after you pay a \$35 Copayment per visit
Vision Examinations	
Benefits are limited as follows: 1 exam every year	100% after you pay a \$20 Copayment per visit

MEDICAL EXCLUSIONS	
It is recommended that you review your SPD for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.	
Alternative Treatments	
Acupressure; aromatherapy; hypnosis; massage therapy; rolfing (holistic tissue massage); art, music, dance, horseback therapy; and other forms of alternative treatment as defined by the National Center for Complementary and Alternative Medicine (NCCAM) of the National Institutes of Health. This exclusion does not apply to Manipulative Treatment and non-manipulative osteopathic care for which Benefits are provided as described in the SPD.	
Dental	
Dental care (which includes dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia). This exclusion does not apply to dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition for which Benefits are available under the Plan as described in the SPD. Dental care that is required to treat the effects of a medical condition, but that is not necessary to directly treat the medical condition, is excluded. Examples include treatment of dental caries resulting from dry mouth after radiation treatment or as a result of medication. Endodontics, periodontal surgery and restorative treatment are excluded. Diagnosis or treatment of or related to the teeth, jawbones or gums. Examples include: extraction (including wisdom teeth), restoration, and replacement of teeth; medical or surgical treatment of dental conditions; and services to improve dental clinical outcomes. This exclusion does not apply to accidental-related dental services for which Benefits are provided as described under Dental Services – Accidental Only in the SPD. Dental implants, bone grafts and other implant-related procedures. This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services – Accident Only in the SPD. Dental braces (orthodontics). Congenital Anomaly such as cleft lip or cleft palate.	
Devices, Appliances and Prosthesis	
Devices used specifically as safety items or to affect performance in sports-related activities. Orthotic appliances that straighten or re-shape a body part as described under Durable Medical Equipment (DME) in the SPD. Examples include foot orthotics, cranial banding, or any orthotic braces, available over-the-counter. The following items are excluded: blood pressure cuff/monitor; enuresis alarm; non-wearable external defibrillator; trusses; and ultrasonic nebulizers. Devices and computers to assist in communication and speech except for speech generating devices and tracheo-esophageal voice devices for which Benefits are provided as described under Durable Medical Equipment. Oral appliances for snoring. Repair and replacement prosthetic devices when damaged due to misuse, malicious damage or gross neglect. Prosthetic devices. This exclusion does not apply to breast prosthesis, mastectomy bras and lymphedema stockings for which Benefits are provided as described under Reconstructive Procedures in the SPD.	
Drugs	
The exclusions listed below apply to the medical portion of the Plan only. Prescription Drug coverage is excluded under the medical plan because it is a separate benefit. Coverage may be available under the Prescription Drug portion of the Plan. See the SPD for coverage details and exclusions. Prescription drugs for outpatient use that are filled by a prescription order or refill. Self-injectable medications. This exclusion does not apply to medications which, due to their characteristics (as determined by UnitedHealthcare), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional in an outpatient setting. Non-injectable medications given in a Physician's office. This exclusion does not apply to non-injectable medications that are required in an Emergency and consumed in the Physician's office. Over-the-counter drugs and treatments. Growth hormone therapy.	
Experimental or Investigational or Unproven Services	
Experimental or Investigational or Unproven Services, unless the Plan has agreed to cover them as defined in the SPD. This exclusion applies even if Experimental or Investigational Services or Unproven Services, treatments, devices or pharmacological regimens are the only available treatment options for your condition. This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in the SPD.	
Foot Care	
Routine foot care. Examples include the cutting or removal of corns and calluses. This exclusion does not apply to preventive foot care for Covered Persons with diabetes for which Benefits are provided as described under Diabetes Services in the SPD or when needed for severe systemic disease. Cutting or removal of corns and calluses. Nail trimming, cutting, or debriding. Hygienic and preventive maintenance foot care; and other services that are performed when there is not a localized Sickness, Injury or symptom involving the foot. Examples include: cleaning and soaking the feet; applying skin creams in order to maintain skin tone. This exclusion does not apply to preventive foot care for Covered Persons who are at risk of neurological or vascular disease arising from diseases such as diabetes. Treatment of flat feet. Shoes (standard or custom), lifts and wedges; shoe orthotics; shoe inserts and arch supports.	
Medical Supplies and Equipment	
Prescribed or non-prescribed medical supplies and disposable supplies. Examples include: elastic stockings, ace bandages, diabetic strips, and syringes; urinary catheters. This exclusion does not apply to: <ul style="list-style-type: none"> • Disposable supplies necessary for the effective use of Durable Medical Equipment for which Benefits are provided as described under Durable Medical Equipment in the SPD. • Diabetic supplies for which Benefits are provided as described under Diabetes Services in the SPD. • Ostomy bags and related supplies for which Benefits are provided as described under Ostomy Supplies in the SPD. Tubings, nasal cannulas, connectors and masks, except when used with Durable Medical Equipment as described under Durable Medical Equipment as described in the SPD. The repair and replacement of Durable Medical Equipment when damaged due to misuse, malicious breakage or gross neglect and deodorants, filters, lubricants, tape, appliance clears, adhesive, adhesive remover or other items that are not specifically identified in the SPD.	
Mental Health / Substance Use Disorder	
Services performed in connection with conditions not classified in the current edition of the <i>Diagnostic and Statistical Manual of the American Psychiatric Association</i> . Services or supplies for the diagnosis or treatment of Mental Illness, alcoholism or substance use disorders that, in the reasonable judgment of the Mental Health/Substance Use Disorder Administrator, are any of the following: not consistent with generally accepted standards of medical practice for the treatment of such conditions; not consistent with services backed by credible research soundly demonstrating that the services or supplies will have a measurable and beneficial health outcome, and therefore considered experimental; not consistent with the Mental Health/Substance Use Disorder Administrator's level of care guidelines or best practices as modified from time to time; or not clinically appropriate, and considered ineffective for the patient's Mental Illness, substance use disorder or condition based on generally accepted standards of medical practice and benchmarks. Mental Health Services as treatments for V-code conditions as listed within the current edition of the <i>Diagnostic and Statistical Manual of the American Psychiatric Association</i> . Mental Health Services as treatment for a primary diagnosis of insomnia and other sleep disorders, sexual dysfunction disorders, feeding disorders, neurological disorders and other disorders with a known physical basis. Treatments for the primary diagnoses of learning disabilities, conduct and impulse control disorders, personality disorders, paraphilias (sexual behavior that is considered deviant or abnormal). Educational/behavioral services that are focused on primarily building skills and capabilities in communication, social interaction and learning; tuition for or services that are school-based for children and adolescents under the Individuals with Disabilities Education Act. Learning, motor skills and primary communication disorders as defined in the current edition of the <i>Diagnostic and Statistical Manual of the American Psychiatric Association</i> . Mental retardation as a primary diagnosis defined in the current edition of the <i>Diagnostic and Statistical Manual of the American Psychiatric Association</i> . Methadone treatment as maintenance. L.A.A.M. (1-Alpha-Acetyl-Methadol), Cyclozocine, or their equivalents for drug addiction. Intensive behavioral therapies such as applied behavioral analysis for Autism Spectrum Disorders. Any treatments or other specialized services designed for Autism Spectrum Disorder that are not backed by credible research demonstrating that the services or supplies have a measurable and beneficial health outcome and therefore considered Experimental or Investigational or Unproven Services.	
Nutrition	
Nutritional or cosmetic therapy using high dose or mega quantities of vitamins, minerals or elements, and other nutrition based therapy. Nutritional counseling for either individuals or groups except as defined under Diabetes Services in the SPD. Food of any kind. Foods that are not covered include: enteral feedings and other nutritional and electrolyte formulas, including infant formula and donor breast milk unless they are the only source of nutrition or unless they are specifically created to treat inborn errors of metabolism such as phenylketonuria (PKU) – infant formula available over the counter is always excluded; foods to control weight, treat obesity (including liquid diets), lower cholesterol or control diabetes; oral vitamins and minerals; meals you can order from a menu, for an additional charge, during an Inpatient Stay, and other dietary and electrolyte supplements; and health education classes unless offered by UnitedHealthcare or its affiliates, including but not limited to asthma, smoking cessation, and weight control classes.	

MEDICAL EXCLUSIONS Continued
Personal Care, Comfort or Convenience
Television; telephone; beauty/barber service; guest service. Supplies, equipment and similar incidental services and supplies for personal comfort. Examples include: air conditioners, air purifiers and filters, dehumidifiers and humidifiers; batteries and battery chargers; breast pumps; car seats; chairs, bath chairs, feeding chairs, toddler chairs, chair lifts, recliners; electric scooters; exercise equipment and treadmills; home modifications to accommodate a health need such as ramps, swimming pools, elevators, handrails and stair glides; hot tubs; Jacuzzis, saunas and whirlpools; ergonomically correct chairs, non-Hospital beds, comfort beds, mattresses; medical alert systems; motorized beds; music devices; personal computers, pillows; power-operated vehicles; radios; saunas; strollers; safety equipment; vehicle modifications such as van lifts; and video players.
Physical Appearance
Cosmetic Procedures. See the definition in the SPD. Examples include: pharmacological regimens, nutritional procedures or treatments; Scar or tattoo removal or revision procedures (such as salabrasion, chemosurgery and other such skin abrasion procedures); Skin abrasion procedures performed as a treatment for acne; treatment of hair loss; varicose vein treatment of the lower extremities, when it is considered cosmetic; Liposuction or removal of fat deposits considered undesirable, including fat accumulation under the male breast and nipple; Treatment for skin wrinkles or any treatment to improve the appearance of the skin; Treatment for spider veins; Hair removal or replacement by any means. Replacement of an existing intact breast implant if the earlier breast implant was performed as a Cosmetic Procedure. Treatment of benign gynecomastia (abnormal breast enlargement in males). Physical conditioning programs such as athletic training, body-building, exercise, fitness, flexibility, health club memberships and programs, spa treatments and diversion or general motivation. Weight loss programs whether or not they are under medical supervision. Weight loss programs for medical reasons are also excluded, even if for morbid obesity. Wigs regardless of the reason for the hair loss, except for temporary loss of hair resulting from treatment of a malignancy.
Procedures and Treatments
Procedure or surgery to remove fatty tissue such as panniculectomy, abdominoplasty, thighplasty, brachioplasty, or mastopexy. Excision or elimination of hanging skin on any part of the body. Examples include plastic surgery procedures called abdominoplasty or abdominal panniculectomy, and brachioplasty. Medical and surgical treatment of excessive sweating (hyperhidrosis). Medical and surgical treatment for snoring, except when provided as a part of treatment for documented obstructive sleep apnea. Rehabilitation services and Manipulative Treatment to improve general physical condition that are provided to reduce potential risk factors, where significant therapeutic improvement is not expected, including but not limited to routine, long-term or maintenance/preventive treatment. Speech therapy except as required for treatment of a speech impediment or speech dysfunction that results from Injury, stroke, cancer, Congenital Anomaly, or autism spectrum disorders. Speech therapy to treat stuttering, stammering or other articulation disorders. Psychosurgery. Sex transformation operations. Physiological modalities and procedures that result in similar or redundant therapeutic effects when performed on the same body region during the same visit or office encounter. Biofeedback. Manipulative treatment to treat a condition unrelated to spinal manipulation and ancillary physiologic treatment rendered to restore/improve motion, reduce pain and improve function, such as asthma or allergies. Manipulative treatment (the therapeutic application of chiropractic and osteopathic manipulative treatment with or without ancillary physiologic treatment and/or rehabilitative methods rendered to restore/improve motion, reduce pain and improve function). Services for the evaluation and treatment of temporomandibular joint syndrome (TMJ), whether the services are considered to be dental in nature, the following services for the diagnosis and treatment of TMJ: surface electromyography; Doppler analysis; vibration analysis; computerized mandibular scan or jaw tracking; cranosacral therapy; orthodontics; occlusal adjustment; dental restorations. Upper and lower jawbone surgery except as required for direct treatment of acute traumatic Injury, dislocation, tumors or cancer. Orthognathic surgery (procedure to correct underbite or overbite) and jaw alignment. Breast reduction except as coverage is required by the Women's Health and Cancer Right's Act of 1998 for which Benefits are described under Reconstructive Procedures in the SPD. Treatment of tobacco dependency. Chelation therapy, except to treat heavy metal poisoning.
Providers
Services performed by a provider who is a family member by birth or marriage. Examples include a spouse, brother, sister, parent or child. This includes any service the provider may perform on himself or herself. Services performed by a provider with your same legal residence. Services ordered or delivered by a Christian Science practitioner. Services performed by an unlicensed provider or a provider who is operating outside of the scope of his/her license. Services provided at a free-standing or Hospital-based diagnostic facility without an order written by a Physician or other provider. Services which are self-directed to a free-standing or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider has not been actively involved in your medical care prior to ordering the service, or is not actively involved in your medical care after the service is received. This exclusion does not apply to mammography.
Reproduction
The following infertility treatment-related services: cryo-preservation and other forms of preservation of reproductive materials, long-term storage of reproductive materials such as sperm, eggs, embryos, ovarian tissue, and testicular tissue, donor services. Surrogate parenting, donor eggs, donor sperm and host uterus. Storage and retrieval of all reproductive materials. Examples include eggs, sperm, testicular tissue and ovarian tissue. The reversal of voluntary sterilization. Health services and associated expenses for elective surgical, non-surgical, or drug-induced Pregnancy termination. This exclusion does not apply to treatment of a molar Pregnancy, ectopic Pregnancy, or missed abortion (commonly known as a miscarriage). Services provided by a doula (labor aide); and parenting, prenatal or birthing classes. Artificial reproduction treatments done for genetic or eugenic.
Services Provided under Another Plan
Health services for which other coverage is available under another plan, except for Eligible Expenses payable as described in the SPD. Examples include coverage required by workers' compensation, no-fault auto insurance, or similar legislation. If coverage under workers' compensation, no-fault automobile coverage or similar legislation is optional for you because you could elect it, or could have it elected for you. Health services for treatment of military service-related disabilities, when you are legally entitled to other coverage and facilities are reasonably available to you. Health services while on active military duty.
Transplants
Health services for organ and tissue transplants, except as identified under Transplantation Services in the SPD unless UnitedHealthcare determines the transplant to be appropriate according to UnitedHealthcare's transplant guidelines. Mechanical or animal organ transplants, except services related to the implant or removal of a circulatory assist device (a device that supports the heart while the patient waits for a suitable donor heart to become available); and donor costs for organ or tissue transplantation to another person (these costs may be payable through the recipient's benefit plan).
Travel
Health services provided in a foreign country, unless required as Emergency Health Services. Travel or transportation expenses, even if ordered by a Physician, except as identified under Travel and Lodging in the SPD. Additional travel expenses related to Covered Health Services received from a Designated Facility or Designated Physician may be reimbursed at the Plan's discretion.
Types of Care
Multi-disciplinary pain management programs provided on an inpatient basis for acute pain or for exacerbation of chronic pain. Custodial care; domiciliary care. Private Duty Nursing. Respite care. This exclusion does not apply to respite care that is part of an integrated hospice care program of services provided to a terminally ill person by a licensed hospice care agency for which Benefits are described under Hospice Care in the SPD. Rest cures; services of personal care attendants. Work hardening (individualized treatment programs designed to return a person to work or to prepare a person for specific work).
Vision and Hearing
Purchase cost and associated fitting charge for eye glasses and contact lenses. Implantable lenses used only to correct a refractive error (such as Inlacs corneal implants). Bone anchored hearing aids except when either of the following applies: for Covered Persons with craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid or for Covered Persons with hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid. Eye exercise or vision therapy. Surgery and other related treatment that is intended to correct nearsightedness, farsightedness, presbyopia and astigmatism including, but not limited to, procedures such as laser and other refractive eye surgery and radial keratotomy.
All Other Exclusions
Health services and supplies that do not meet the definition of a Covered Health Service – see the definition of Covered Health Services in the Glossary in the SPD. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments when: required solely for purposes of education, school, sports or camp, travel, career or employment, insurance, marriage or adoption; or as a result of incarceration; related to judicial or administrative proceedings or orders; conducted for purposes of medical research; required to obtain or maintain a license of any type. Health services received as a result of war or any act of war, whether declared or undeclared or caused during service in the armed forces of any country. This exclusions does not apply to Covered Persons who are civilians injured or otherwise affected by war, any act of war or terrorism in a non-war zone. Health services received after the date your coverage under the Plan ends. This applies to all health services, even if the health service is required to treat a medical condition that arose before the date your coverage under the Plan ended. Health services for which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under the Plan. Charges that exceed Eligible Expenses or any specified limitation in the SPD. Foreign language and sign language services. Health services when a provider waives the Copay, Annual Deductible or Coinsurance amounts. Autopsies and other coroner services and transportation services for a corpse. Charges for: missed appointments; room or facility reservations; completion of claim forms; or record processing. Charges prohibited by federal anti-kickback or self-referral status. Diagnostic tests that are: delivered in other than a Physician's office or health care facility; and self-administered home diagnostic tests, including but not limited to HIV and pregnancy tests. Vision therapy when rendered in connection with behavioral health disorders, including but not limited to: learning and reading disabilities; attention deficit/hyperactive disorder; TBI; or dystlexia.
