Employees,

We are excited to announce Livongo for Diabetes, a new health benefit being offered at no cost to you. The Livongo for Diabetes Program makes living with diabetes easier by providing you with a connected meter, unlimited strips, and coaching.

**Eligible Members:** The program is offered at **no cost** to employees and dependents who have diabetes and are covered through one of the offered UofL health plans.

Here are some of the benefits of this program:

- **More Than a Standard Meter:** The Livongo connected meter provides real-time tips and uploads readings, making log books a thing of the past.

- **Unlimited Strips at No Cost to You:** Get as many strips and lancets as you need with no hidden costs or copays. When you are about to run out, Livongo ships more supplies, right to your door.
