

Dependent Verification Audit

UoL Employees:

The University of Louisville is committed to providing comprehensive and competitive benefits to our faculty and staff. To maintain affordable benefits and maximize plan value, we must ensure that everyone covered under our plans is eligible for coverage. Part of this process involves a ***Dependent Verification Audit*** to confirm coverage eligibility.

We have retained Aon Hewitt to conduct this verification process. If you have dependents enrolled in the University of Louisville health, dental, vision plans and/or dependent life insurance, you will soon receive a letter from Aon Hewitt that will indicate the supporting documents needed to ensure continued coverage for your dependent(s).

Please carefully review the correspondence you receive from Aon Hewitt for specific instructions on how to complete this process. Please make sure to follow the stated timelines. Eligibility information, as well as a customer care service number, fax number and web address will be included in the upcoming correspondence. Contact Aon Hewitt directly if you have any questions or need any additional information.

During 2017 Open Enrollment, employees seeking coverage for dependent(s) not previously covered, will be required to verify dependency.

We thank you in advance for your participation and look forward to continuing to provide superior benefits and high-quality customer service.
