

Course Description & Target Audience

This multidisciplinary symposium will allow participants to gain greater insight into the latest advances in breast cancer research and treatment. Basic scientists and clinicians involved in all aspects of breast cancer care will have an opportunity to interact and gain a greater mutual understanding resulting in improved care for patients.

The target audience is healthcare professionals who treat breast cancer: general internists, family physicians, radiologists, pathologists, general surgeons, surgical oncologists, plastic surgeons, medical oncologists, radiation oncologists, genetic counselors, nurses, allied health professionals, and basic scientists interested in breast cancer research.

Continuing Education Credit

Physician Credit - The University of Louisville Continuing Health Sciences Education office designates this educational activity for a maximum of 4.5 *AMA PRA Category 1 Credits*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing Credit - This program has been approved by the Kentucky Board of Nursing for 5.4 contact hours through the University of Louisville School of Nursing, provider number 3-0046-01-2013-85, expiration date January 31, 2013. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content. Participants must complete entire session, provide license and social security number and complete evaluation to receive contact hours.

Accreditation

The University of Louisville School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
