

Honors Seminar
Peer Evaluation Form
Fall, 2011

Your Name: _____

At the beginning of the semester, your project team developed a “team plan” about how you were going to work together as a team to complete your digital media assignment.

For this peer evaluation, you have been given 100 points to distribute between your group members, including yourself. Please divide the 100 points among your group members according to how each individual participated, contributed, communicated, and held to the team proposal and time-line submitted at the beginning of the semester. Remember, the total points have to equal 100.

Please **MESSAGE** me this form (through Blackboard) no later than Thursday, December 1, 2011.
