Our  iPad[®] Winners

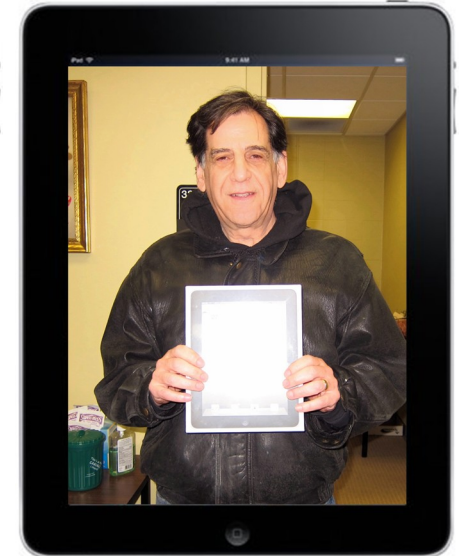

Congratulations to our Faculty Winners!

Faculty who received 70% or higher in student response rates were eligible for a prize.

Institutional Research & Planning would like to thank all faculty for helping the University of Louisville transition to online course evaluations this past fall. We extend a special thanks to those faculty who participated in the pilot programs and those who volunteered for the marketing campaign. With your help, we were able to make it happen here!

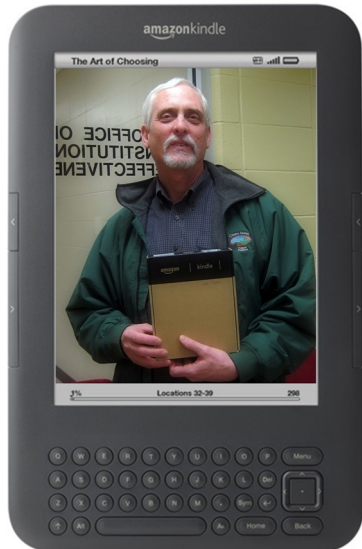

Anna Faul, Ph.D.
 Kent School of Social Work

Lyle Sussman, Ph.D.
 College of Business

Our  amazonkindle[®] Winners
 Read. Review. Remember.
