Host Participants Application for the Contact Family Program

Families or individuals are encouraged to participate in the *Contact Family Program*. This program matches international students with members of the community for a cultural exchange experience.

The University of Louisville hosts approximately 600 international students and 150 exchange scholars throughout the year. The involvement in the Contact Family Program does not require providing housing or financial support. We recommend families to meet the student and attempt to invite him/her once a month, either for a casual dinner, visit to a museum, or other activity of your choice. You can also invite them to celebrate some holidays with you, for him/her to learn part of our culture.
