

REPORTING REQUIREMENTS FOR F1 STUDENTS ENGAGED IN OPTIONAL PRACTICAL TRAINING

All students engaged in Optional Practical Training (OPT) are required to report to their Designated School Official (DSO) within 10 days to any change in the following information:

- Change to legal name, telephone or email address
- Residential address
- Change of employer name or address or any interruption in employment

In addition to the above reporting requirements by SEVIS, students engaged in the 17 month OPT are required to make a validation report to their DSO every six months beginning with the date of the 17 month extension and ending when the student's F1 status ends, the student changes educational levels at the same school, or the student transfers to another school or program, or the 17 month OPT extension ends, whichever is first. The report is due to the DSO within 10 business days of each reporting date. Please note the reporting dates below.

This reporting may be done by contacting any of the three DSO's, Barbara Jones, Anshu Anand or Sharolyn Pepper by email intcent@louisville.edu
