4. Click the down arrow next to your default printer

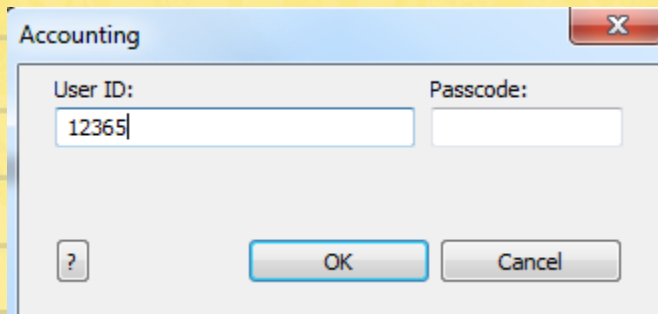

5. Click on the new printer

6. Click **Print**

Print Validation - Printer Setup

7. Enter your 5 digit ELD number in the User ID field

The screenshot shows a dialog box titled "Accounting" with a close button (X) in the top right corner. It contains two input fields: "User ID:" and "Passcode:". The "User ID:" field contains the text "12365". Below the input fields are three buttons: a help button (question mark in a square), an "OK" button, and a "Cancel" button.

8. Click **OK**
