School of Justice Administration
Faculty/Instructor

- Teach undergraduate courses in the field of criminal justice, criminal investigations and police leadership
- Assist in the development of a Spanish Language Program for criminal justice students with the Kentucky Institute for International Studies (KIIS) and Eastern Kentucky University (EKU)
- Develop a Graduate Studies Certificate in the discipline of Homeland Security
- Research and develop curriculum in various topical areas as assigned

Kentucky State Police *December 2003 to August 2004*
Deputy Commissioner
Frankfort, Kentucky

- Planned, directed, and supervised all administrative, professional, and technical functions of sworn and civilian employees engaged in enforcement and support related functions
- Reported to and advised the Commissioner regarding agency objectives, strategic planning, budgetary matters, and legislative issues
- Formulated policy and developed staffing patterns for uniform and civilian personnel
- Received a top secret security clearance from the Federal Bureau of Investigation (FBI) and coordinated the oversight of homeland security issues pertaining to the agency
- Appointed as the agency advisor and representative for the Governor's Kentucky Drug Control Assessment Panel to seek long term solutions and provide recommendations for a balanced statewide drug control initiative

Kentucky State Police *August 2002 to December 2003*
Lieutenant Colonel, Operations Division
Frankfort, Kentucky

- Responsible for the direction and coordination of criminal investigations and traffic law enforcement throughout the Commonwealth
- Coordinated and gave strategic direction to investigations pertaining to illegal drug trafficking, organized crime, and cannabis eradication efforts
- Oversight of the collection, management, and dissemination of the statewide intelligence data base
- Directed the operations of Air Support, Driver Testing Branch, and Headquarters Communication center
- Served as the chief advisor to the Commissioner in matters concerning policy, budgetary, and personnel issues

- Appointed to a Gold Panel Committee by the National Highway Safety Administration (NHTSA) to develop a national enforcement model to curtail recidivism rates among impaired drivers

Kentucky State Police *February 2002 to December 2002*
 Lieutenant Colonel, Administrative Division
 Frankfort, Kentucky

- Responsibilities included the oversight of Personnel Section, Recruitment, Internal Affairs, Inspections/Evaluations Section, Employee Assistance Program, Accreditation Section and Highway Safety Branch
- Academy Commander in charge of training and curriculum development
- Implemented an Accelerated Training Academy concept to reduce costs and expedite the training of new recruits
- Developed and implemented a Sergeant's Leadership Academy for newly promoted first line supervisors
- Partnered with the Southern Police Institute in the development of a Lieutenant's Leadership School for State Police and Highway Patrol Agencies throughout the United States
- Oversight and policy development for the National Accreditation for Law Enforcement Agencies (CALEA) process
- Developed a new performance and promotional evaluation system for sworn personnel
- Supervised the construction of the Kentucky State Police website
- Appointed to the Governor's Employee Advisory Council to facilitate discussions between employees and supervision

Kentucky State Police *September 2000 to February 2002*
 Lieutenant Colonel, Office of Strategic Planning
 Frankfort, Kentucky

- Responsible for long term planning through the development and implementation of a strategic plan to enhance the technological, operational, and logistical effectiveness of the organization
- Chaired the planning team responsible for the development and implementation of the Justice Cabinet Strategic Plan
- Researched and developed a feasibility study for the Governor concerning a Public Safety Training Facility at Eastern Kentucky University
- Developed an intensive Spanish Language Immersion Program to better serve the growing Hispanic population in rural Kentucky
- Developed a manpower allocation model to equitably assign personnel utilizing quantifiable data
- Assisted in the development and coordination of a wireless infrastructure to facilitate communication and information delivery to all emergency responders in the Commonwealth
- Partnered with the Jefferson County Police on a wireless technology project that provided interagency communications on mobile data computers
- Instituted electronic paperless memoranda resulting in significant cost savings and more expedient information flow within the agency
- Managed the development, application, and issuance of grants in excess of twenty million dollars

Major, Operations West Branch *August 1999 to September 2000*
 Frankfort, Kentucky

- Responsible for the oversight and maintenance of eight post districts
- Coordination of planning and resource application for all special details and events including the Kentucky State Fair, Kentucky Derby, and the Kentucky Speedway

- Maintenance and fund distribution for highway safety enforcement grants totaling one million dollars
- Agency liaison for the Kentucky Emergency Operations Center (EOC) during disasters and severe weather

Captain, Commander of LaGrange, Post 5 *October 1996 to August 1999*
LaGrange, Kentucky

- Supervised all post personnel including uniform, investigative, radio room, and clerical staff
- Responsible for the establishment of goals and objectives which enhanced crime reduction and traffic safety within the post area
- Assisted penitentiary personnel with criminal investigations and security related issues
- Responsible for the implementation, dispatching, and maintenance of Enhanced 9-1-1 systems in three counties
- Implemented a safe schools initiative that enhanced uniform presence in rural school districts that was later adopted on a statewide basis
- Created a weekly newspaper and radio program to enhance community awareness concerning police initiatives and crime prevention issues that was later implemented on a statewide basis

Captain, Commander of Frankfort, Post 12 *September 1994 to October 1996*
Frankfort, Kentucky

- Responsible for the total police activities and proper functioning of post operations that included the supervision of all post personnel including uniform, investigative, telecommunications and clerical staff
- Continually assessed crime trends and traffic problems within the post area
- Developed a Speed Limit Enforcement Detail (SLED) to enhance mobility and flexibility in crash reduction efforts and response to citizen complaints that later was implemented on a statewide basis
- Developed curriculum and instituted the first Citizens Police Academy within the Kentucky State Police

Captain, Commander of Public Affairs Branch *January 1992 to September 1994*
Frankfort, Kentucky

- Served as official spokesman for the Kentucky State Police on all matters concerning the department
- Continually improved media relations by acting as liaison between the press and headquarters staff
- Developed new public information and educational programs with special emphasis on highway safety and crime prevention issues
- Won eight state and national awards for public safety announcements
- Created and directed two 30-second Addie-winning public service announcements on highway safety
- Published the in house newsletter and coordinated the annual awards ceremony
- Represented the agency at official functions and before civic groups

Lieutenant *October 1988 to January 1992*
Post 5, LaGrange, Kentucky

- Assistant Post Commander in charge of operations
- Duties included scheduling, federal overtime, special details, job performance appraisals, and continued maintenance of post filing procedure
- Responsible for media relations and security for the Carrollton bus crash trial

Sergeant *December 1987 to October 1988*
Post 5, LaGrange, Kentucky

- First-line supervisory functions over uniform personnel

- Monitored productivity and assisted line personnel with special details, criminal investigations, and case preparation
- Trained aerial spotter in the marijuana eradication effort

Sergeant, Executive Security Detail *August 1986 to December 1987*
Frankfort, Kentucky

- In charge of maintaining personal and perimeter security for the Lieutenant Governor, his family, and residence

Detective, Special Investigations Division *August 1981 to August 1986*
Louisville, Kentucky

- Responsible for investigation and prosecution of welfare and credit card fraud, narcotics, vice, and stolen property investigations
- Job duties included surveillance and photographic details
