Student Evaluation of Program**

Name _____ Agency _____
Year and Term of Internship _____ Supervisor _____

This evaluation provides the Internship Coordinator and your supervisor insight into your perception of the internship experience. Please respond to the following statements on a scale from 1 to 4 where 1 = Excellent, 2 = Very Good, 3 = Satisfactory, 4 = Needs Improvement. The information you supply will also be used in advising other students. Thus, the more specific your comments, the more helpful your evaluation will be.

- Rate the assistance provided by the Internship Coordinator in identifying and securing an Internship placement and working on your behalf.
- The expectations for academic performance in the internship paper guidelines and deadlines were clearly stated.
- Rate the helpfulness of the seminars and papers in making your internship a learning experience.

Comment: _____

- The orientation and training received in the field was adequate and the agency's expectations for performance and for specific duties were made clear.
- The supervisor provided sufficient guidance and regular opportunities for communication feedback.
- Work Assignments were meaningful and contributed to the goals of the agency.

Comment: _____

- Your assigned projects contributed to your development as a professional and/or in the development of new skills and techniques.
- Knowledge gained from courses was applied, integrated or made relevant.
- Future education and career goals were clarified.

Comment: _____

1. Indicate what you feel were the strong points or highlights of your internship experience.
