GRANTS & CONTRACTS

- 2012-2014 Sar, B.K., Sterrett, E., Collins-Camargo, C., & Antle, B. Pathway for Academic Stability and Success (PASS). The overall purpose of Pathway for Academic Stability and Success (PASS) demonstration project is to promote academic stability and success of foster youth in 6th thru 8th grade at risk for dropping out of school. Funded by Administration for Children & Families, Department of Health & Human Services (DHHS) for \$500,000 for two years.
- 2012-2015 Sar, B.K., Archuleta, A., Lawson, T., & Yankeelov, P. The Survivors of Torture Recovery Center (STRC). The project will concentrate on: 1) strengthening local infrastructure and services for torture survivors, 2) educating individuals within the refugee and non- refugee community (potential referral sources) in order to identify and increase the pool of torture survivors who could benefit from services offered through the proposed services, 3) conducting training and education of professionals- health, mental health, social services, and legal-- to increase their knowledge and expertise, 4) providing comprehensive torture survivor centered services and determining their benefits through process and outcome evaluation, and disseminating lessons learned from the project to the wider service and research community. Funded by Office of Refugee Resettlement, Department of Health & Human Services (DHHS) for \$975,000 for three years.
- 2012-2016 Sar, B.K., Sterrett, E., Archuleta, A., Barbee, A., Van Zyl, M., & Antle, B. The Center for Promoting Recovery and Resilience of Traumatized Children and Youth. The Center for Promotion of Recovery and Resilience (CPRR) of Traumatized Children and Youth will will 1) increase knowledge and skills of personnel who make referrals and provide services to children regarding trauma and related services, 2) provide trauma focused intervention services to military children, refugee children, and children victimized by abuse, neglect and exposed to family violence, and 3) evaluate the impact of the project on consumers of this proposed project. By the completion of the project, 80 providers will have increased their knowledge about trauma focused services, 375 children and their families will have been provided trauma treatment and

education, and 40 community agencies serving children and youth will have become trauma informed.

- 2011-2013 Sar, B.K. (2011). Investigation of the effectiveness of a developmental mentoring model as an intervention/prevention strategy for juveniles of varying levels of risk among middle school youth in Metro Louisville. Funded for \$500,000 by the Office of Juvenile Justice and Delinquency Prevention, U.S. Department of Justice Barbee, Anita P. (Principal Investigator), Antle, Becky L. (Co-Principal Investigator), Karam, Eli (Co-Principal Investigator), Christensen, Dana N. (Co-Principal Investigator), Sar, Bibhuti K. (Co-Principal Investigator), Archuleta, Adrian J (Other), van Zyl, Michiel A. (Evaluator), Cunningham, Michael R (Evaluator), Grant, Research, "Preventing Teen Pregnancy", Sponsored by DHHS, Office of Adolescent Health, Federal, \$4,816,654. (September 1, 2010 - August 30, 2015).
This 5-year grant will test the effectiveness of two teen pregnancy prevention curriculums through a randomized control trial.
