## Loan Repayment Assistance Program

**This form calculates your total loan debt. The application must be completed electronically, with totals calculated, before printing and notarizing.**

You must be a Brandeis School of Law J.D. graduate who is, or will be, employed in the public sector or for a state, local, or the federal government for initial evaluation of eligibility to receive loan repayment assistance under this program. Graduates with an outstanding Student Account balance owed to University of Louisville are not eligible for LRAP consideration until such debt has been paid in full.

### **Incomplete and Late Applications**

---

After submission, the web form will automatically generate a confirmation email from [lawloanrepayment@louisville.edu](mailto:lawloanrepayment@louisville.edu). If you do not receive this confirmation, check your email account's junk/spam filter. This email will not confirm that an application is complete and properly notarized. It is the individual applicant's responsibility to ensure all required materials are included and that the application is properly notarized. Applications that remain incomplete or improperly notarized after the deadline will not be reviewed. Late applications will not be accepted under any circumstances.

A complete application package must be submitted by January 18, 2019 and includes:

1. This application form, documenting biographical information, marital and employment status and educational indebtedness, and any required or supplemental attachments.
2. Most recent statement for each outstanding education loan, irrespective of its repayment status.
3. Completed Employment Certification(s).
4. A current résumé.
5. A Personal Statement, not exceeding 750 words in 12 point or higher font. The statement should:
  - 1) describe how your current job duties demonstrate your commitment to public service and meet the criteria for Qualifying Employment;
  - 2) describe past employment and past and current activities demonstrating your commitment to public service;
  - 3) explain what you will do with the money that otherwise would have gone to loan repayment if you receive an award.
6. Individual federal income tax return(s), including all attachments and schedules, for tax year 2017 for the applicant and the applicant's spouse if applicant was married (filing jointly or separately) during that tax year.

Submit all application materials together at [louisville.edu/law/lrap](http://louisville.edu/law/lrap). Keep a complete, signed and notarized copy of this application and all related materials for your records.
