AAFP Credit is pending

7.0 Social Work Credits

### Symposium Overview

The annual UofL Geriatrics Symposium provides up-to-date training and skills in geriatric care for health care providers and all interested in the care of elders. This year's theme is prevention, and the course will present expert training on a breadth of topics ranging from prevention of commonly overlooked but preventable geriatric care issues (such as advance directives, falls and injuries, elder abuse, medications), as well as best-practices geriatric educational topics (such as immunizations and the latest developments in dementia).

### Target Audience

Multidisciplinary including physicians, nurses, social workers, nursing home administrators, long term care professionals, in home senior care providers, residents, students and all other interested healthcare professionals.

### Course Director

## The Jean Frazier Lecture Series

The UofL Polypharmacy Initiative was started from the inspiration and support of Ms. Jean Frazier. This initiative is unique amongst US medical schools as it is dedicated to education, research and outreach about the problem of polypharmacy. The Jean Frazier Lecture Series supports educational sessions provided by national thought leaders regarding the problems and solutions related to polypharmacy and medication safety.

## The Gross Family Memorial

**Lectureship**, which is providing support for the presentations in this CME program, was established by Sol Gross, MD, University of Louisville School of Medicine Class of 1941, in memory of his brothers who are listed below, and in recognition of their contributions and dedication to the practice of medicine.

**Jerome Gross, M.D.**, Case Western Reserve University School of Medicine, Class of 1929

**Joseph Gross, M.D.**, University of Louisville School of Medicine, Class of 1930

**Alex Gross, M.D.**, University of Louisville School of Medicine, Class of 1932

**Benjamin G. Gross, M.D.**, University of Louisville School of Medicine, Class of 1940

## The Irving B. Perlstein Gerontology

**Lectureship** — Dr. Irving B. Perlstein completed his internship and residency at Jewish Hospital where he was a highly respected member of the medical staff during his long and rewarding career. Specializing in internal medicine, he was recognized for his significant research on aging and thyroid dysfunction. This lectureship was created by his family as a living memorial to him and his commitment to his patients and health care.

## Designation Statements

**Physician Credit** — The University of Louisville Continuing Health Sciences Education office designates this educational activity for a maximum of 6.5 *AMA PRA Category 1 Credits*<sup>TM</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**AAFP** — CME credit has been applied for with the American Academy of Family Physicians. Determination is pending.

**Nursing Credit** — This program has been approved by the Kentucky Board of Nursing for 7.8 continuing education credits through University of Louisville Hospital, provider number 4-0068-7-16-828. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content.

**Social Work Credit** — This program has been approved by the Kentucky Board of Social Work for 7 hours.

## Accreditation Statement

The University of Louisville School of Medicine is accredited by the Accreditation

Council for Continuing Medical Education

(ACCME) to provide continuing medical education for physicians.

## Special Services

To request disability arrangements, contact us at [CME&PD@louisville.edu](mailto:CME&PD@louisville.edu) at least 10 days prior to the conference. Continuing Health Sciences Education fully complies with the legal requirements of the ADA and the rules and regulations thereof.

## Cancellation Policy

Requests for cancellation must be submitted to [CME&PD@louisville.edu](mailto:CME&PD@louisville.edu) on or before Friday, September 5, 2014. Requests received on or before Friday, September 5, 2014 will receive a full refund less a \$20 processing fee.

## \*\*Scientific and Clinical Insights into Osteoporosis\*\*

A highly interactive exhibit by Amgen aimed to enhance understanding of bone health and guidelines on osteoporosis. This is a non CME activity.
