

Kimberly A. Boland, M.D., FAAP

Professor of Pediatrics
Executive Vice Chair
Pediatric Program Director
Department of Pediatrics
University of Louisville

Dr. Boland currently serves as the Executive Vice Chair for the Department of Pediatrics and the Director of the Pediatric Residency Training Program. She is also Assistant Dean of Resident Education and Work Environment in Graduate Medical Education. Additional roles and accomplishments include:

- Regional Chair, Association of Pediatric Program Directors (APPD) Mid-America Region
- Immediate Past President, Kentucky Chapter of the AAP
- President, Kentucky Pediatric Foundation
- Member, Curriculum Task Force of the APPD
- Received numerous awards including five clinical teaching awards, seven faculty peer mentoring awards, three awards as top teaching faculty, the UofL School of Medicine Master Educator Award for Outstanding Educator, the UofL Paul Weber Award for Departmental Excellence in Teaching and most recently the 2016 Dean's Educator Award for Distinguished Educator.
- Involved in resident and student advocacy with her most recent focus in the residency on development and evaluation of innovative curricula in communication, procedural medicine, evidence-based medicine, crisis management, and global health as well as faculty development.
- Provides oversight for eight pediatric fellowship programs and assisted in the creation of a new Development and Behavioral Fellowship, Pediatric Child Abuse Fellowship, Pediatric Pulmonary Fellowship and Pediatric Hematology-Oncology Fellowship.
- Involved with many task forces and committees within the University and Hospital including Graduate Medical Education Committee, Residents and Scholarly Activity Task Force, and the Strategic Planning Subcommittee, and she is Chair of the Paul Weber Award Selection Committee.
- Has had numerous oral and poster presentations, nationally, regionally and locally as well as given several lectures and presentations to residents, fellows, students and faculty annually.

Dr. Boland was raised in Louisville. She received her undergraduate degree from the University of Notre Dame and her medical degree from the University of Louisville. She completed her residency and chief residency in Pediatrics and a fellowship in Pediatric Critical Care at St. Louis Children's Hospital at Washington University in St. Louis.
