New Innovations for Residents

Introduction
New Innovations

- NI is an online Residency Management Suite that unifies program and resident information into a centralized data warehouse.
- NI can be accessed online at [www.new-innov.com/login](http://www.new-innov.com/login).
Resident Responsibilities*

\textbf{All} residents and fellows in University of Louisville School of Medicine training programs are required to use the New Innovations Residency Management Suite.

Residents and fellows will use the New Innovations system to:

1. Confirm GMEC and Program policies (as assigned)
2. View conference schedules, including attached files and links. Complete conference surveys if assigned

*As listed in the Policy on New Innovations Use and Responsibilities, Revised August 2015
Resident Responsibilities

3. Log and approve duty hours weekly (also as required in the Duty Hour Policy)
4. Complete evaluations in a timely manner (as assigned)
5. Log procedures and/or diagnoses*
6. Track patient encounters*
7. View rotation (block) and assignment (call, clinic) schedules. Confirm curriculum documents if assigned

*Residents who are required to log their procedures directly with the ACGME or their specialty board are not required to also log via New Innovations.

Checklists

- **Onboarding Checklist** - Contains tasks that incoming residents are required to complete prior to starting their training.

- **Advancement Checklist** - Has tasks that current residents must complete before advancing to their next level of training.
Have steps to upload documents, complete forms, view required videos or sites and indicate that a task is complete.

Often send email notifications letting you know the checklist is available and when it is complete.

Once all tasks are completed, you should receive an email notification that your checklist is complete. Upon completion, the checklist no longer appears on your Home Page.
