Administrative Responsibilities Grade Policy

Educational Program Committee Approved: April 29, 2015
Educational Program Committee Revised: May 29, 2019

The Administrative Responsibilities grade is intended to credit students for timely and attentive participation in their learning process. The grade should comprise 2.5% of the final grade and will be based on the student’s participation in formative feedback, completion of case logs, duty hour reports, and documentation of self-directed learning when applicable. The clerkship may include additional components in their syllabus that contribute to this grade. Student will receive 0% for any instance of non-compliance or 2.5% for full compliance.
