2011 Summer Semester

*Dance classes for the entire community,
children and adults.*

Take advantage of this excellent
opportunity to keep in training
to improve your technique.

Summer training is vital to promotion.

We offer programs tailored to the serious students
and to the recreational students who just want to
keep active in an artform they enjoy.

New students who have had previous training
take a placement audition to determine the
level in which they will best work. Call now to
set up your individual appointment on Friday,
June 10. (This is not necessary for adult classes
or exercise classes.)

Registration will be accepted on a first come
basis. Send in a completed form with tuition
payment to secure a spot with us for the summer.
Full tuition is due by June 13, 2011. Registration
must be completed before admittance to classes.
There will be no refunds or adjustments for
missed lessons.
