Clinical Initiatives and Revenue Generation

2005-present	Founder and Director, Kentucky Racing Health Services Center
--------------	--------------------------------------------------------------

Opened clinical practice in 2005 as independent, nurse-practitioner practice. Currently provides free care including over 2,000 annual visits to backside workers in the thoroughbred horse racing industry. Open 15 hours/week and provides full-range primary care services, including mental health. The following awards recognize this inter-professional clinical practice:

*Awarded the American Academy of Nursing's Edge Runner designation 2017

*Business First Healthcare Hero Finalist 2017

*Recognized as Outstanding Faculty Practice by National Organization of Nurse Practitioner Faculties 2011

*University of Louisville Community Engagement Award winner 2010

- 2017-present Founder, School of Nursing (SON)/School of Dentistry (SOD) Nurse Practitioner Clinical Enterprise "UofL Care Partners"
The clinic founded based on results of a needs assessment and is a response to the lack of access to care for patients receiving dental care at the SOD.
- 2011-present Developed and implemented of School of Nursing and School of Dentistry advanced practice inter-professional education collaboration 2011. This program utilizes advanced practice nurse practitioners in the dental emergency clinic to guide dental students in obtaining consultations for medically compromised patients.
- Contract negotiation, maintenance and evaluation for 14 practice faculty. This strategy yields between \$650,000-\$700,000 in salary buyout, administrative fees and Dean's taxes that fund a variety of clinic and educational initiatives.
- School of Nursing representative to the University and to outside parties regarding issues of practice, and entrepreneurial activities.
- 2011-2013 University of Louisville Career Connection Center
Developed web-based career networking site to connect School of Nursing students and alumni to career opportunities. This has also been a tool to recruit preceptors for our APRN students.
