

FUN TIME DURING THE ACS LOUISVILLE SECTION BOAT RIDE ON THE BELLE OF LOUISVILLE

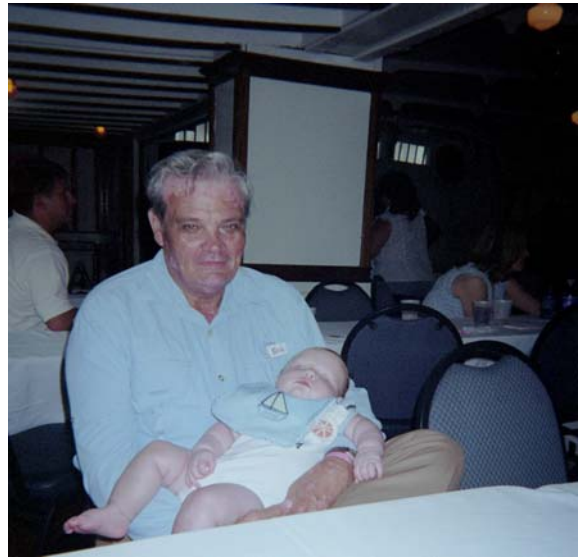

The local Louisville Section of ACS had a great summer activity this year. It turned out to be a beautiful day on Saturday, July 28, 2007; a perfect day for an afternoon cruise on the Belle of Louisville. The cruise members braved through the obstacles of the I-64 closing and made it to the Louisville Wharf to ride the famous Belle. A bountiful buffet of food awaited those with hearty appetites, as the powerful steamboat traveled up the river. A DJ spun some tunes and some interesting “River landmarks” were pointed out to the crowd. Check out the photographs to see the fun we had that day.
