Welcome to the University of Louisville’s Move-In Day. We know how exciting this week can be, and our job is to make this an easy transition for you and your family. Below you will find out where you need to go on campus in order to get your student to their residence hall.

Once you reach your residence hall, you will be able to unload everything out of your car right in front of your hall. Once you’ve unloaded, you will need to go to your designated parking area: Location depends on your residence hall.

Move-In Day is such an exciting time for students and families alike! But, it can be hard work to get your student’s belongings moved in. After you have your student moved into their room, we want to celebrate with you and provide an opportunity for families to have a space to relax, enjoy some complementary snacks/refreshments, and even get to informally meet some Student Affairs administrators. Parents and families are welcome to bring their student and any siblings, but parents can come alone as well if your student wants some time and space to arrange their new room. We are looking forward to meeting you!

**Mark Your Calendar: Ice Cream Social**
UPS and Resident Student Association (RSA) sponsors our Ice Cream Social with President James Ramsey. Don’t miss it, Wednesday, August 26, 4 – 6 PM
