

## REPORT OF THE PROVOST

### FACULTY SENATE

APRIL 4, 2018

**President Neeli Bendapudi** has been welcomed enthusiastically on campus. We look forward to her arrival May 15.

#### SACS site visit

- Overall positive review
- QEP positive review
- Two “recommendations” (2.11.1, new 13.1 on Financial Resources; 3.4.4., new 10.8 on transcripting) require further analysis after the draft report is received so that UofL can demonstrate compliance with both principles. A final report is due at the end of August. The final SACS action will be determined in December.

#### KENTUCKY LEGISLATIVE ISSUES

##### HB 200

- Reduces the general-fund allocation by 6.35% or \$8.3million
- Tenure, sect. 27, parallels REDBOOK 4.5.3.A.2. on program closure (1983), authority still vested in the BOT, no statement of process to determine low enrollment or institutional need to close.
  - Risk to individual academic freedom by reducing current limited reasons (neglect, incompetence, immoral behavior).
  - Risk to academic integrity by elimination of programs on doctrinal grounds.
  - Related to CPE revision of academic program review requirements to emphasize employability of graduates

HB 210 on concealed-carry weapons on campus was held in Judiciary committee.
