WANT LIST OF STRATEMEYER SYNDICATE PUBLICATIONS

December 26, 2007

This is a list of books that I am currently looking for. I want these books for academic purposes. Hence they must be complete and readable, but condition does not generally matter. I don't care if they have dust jackets or not. (I realize that in the used book market these items determine price, but I don't have much money to spend on this project.) If you can supply any of these, please send me particulars. Thanks.
